# HANDS TO SERVE HEARTS TO LOVE

OCTOBER-NOVEMBER 2026

REACHING THE COMMUNITY FOR CHANGE

sikattministry@gmail.com

## Kid's Feeding and Dental Kits

Memorizing verses and listening to Bible stories are among the kids' favorite activities during our reading classes and spiritual enrichment sessions.

As we nurture their minds and strengthen their faith through God's Word, we also want to care for their physical well-being.

Beyond their spiritual nourishment, children need nutritious meals to keep them healthy and dental kits to help them develop good oral hygiene habits.

Our desire is to care for the children wholistically; nourishing their bodies, enriching their minds and nurturing their hearts with God's love.

Together, let us continue to make a difference, one child at a time!

Fedding their bodies, enriching their minds and nurturing their faith.

# A Prayer That Touches The Heart

it is truly challenging for families who have lost their homes to cope with the aftermath of the fire and find their strength and resources to rebuild their lives.

The journey of starting over is never easy. In times like these, even the simplest acts of kindness, a helping hand and a sincere prayer can mean so much to them.

More than material assistance, knowing people care, remember them, and stand with them gives hope and encouragement.

May we continue to be God's instruments of love, comfort and hope to families who are going through difficult times.

*"A little kindness can bring a big difference. A simple prayer can strengthen a weary heart."*

Pastor Zaldy shared the life and testimony of King Josiah, highlighting his faith, obedience and commitment to the Lord.

His message emphazised the importance of knowing God's word, living according to His teachings, and remaining faithful to the Lord Jesus Christ.

May the life of King Josiah inspire us to seek God wholedheartedly, stand firm in our faith and make our lives a testimony of His goodness and grace.

""He did what is right in the eyes of the Lord." -2 Kings 22:2

## Upcoming Activities

### Fellowship

May our young people continue to grow as followers of Christ who worship sincerely, walk faithfully, and live out God's Word wherever they go.

### Bible Study

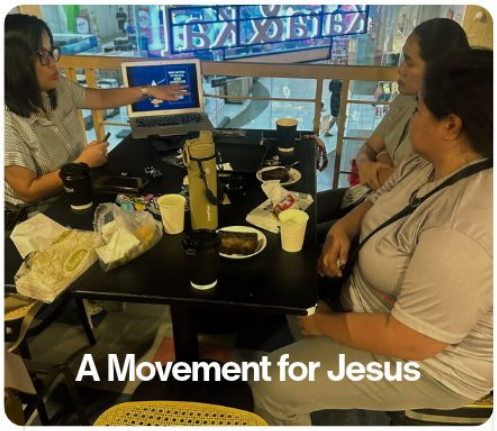
Our Bible study groups provide an opportunity for children, youth, and adults to read the Bible, reflect on its message, and learn how to apply God's Word in everyday life.

### Campus Evangelism

Sharing of the Word thru differentiated activities with socio-emotional integration.

### Christmas Gift- Giving

Its the season of giving; sharing God's love and hope to others through our Hope in a Box Project.



## How to participate?

### Pray with us

### Serve with us

### Support us

# Bible Lessons with SEL

Being sensitive to the emotional needs of young people through understanding, experiencing and sharing God's amazing love. The key to self-awareness is knowing the Creator, His amazing purpose.

The socio-emotional aspect of the youth is significant nowadays, since many are struggling with emotion management.

When young people understand God's unconditional love, they can surely manage difficult emotions, overcome insecurity and respond positively to challenges.

There is complexity on handling the young people; being willing to listen, encourgae and remind them that they are loved.

Only when they begin to grasp the depth of God's amazing love can they develop healthier relationships and extend that same love to others.

It is also helping them know their identity in Christ that will lead them to accept themselves and appreciate others.

True security can be found on God's promises revealed in the Bible.

***"Nothing can separate us from the love of the Lord."***
***Romans 8:38-39***

# Christmas Carols and Programs

Christmas caroling with the children is always an amazing and heartwarming experience.

The joy of singing Christmas carols together, sharing gifts and enjoying sumptuous meal makes celebration even more meaningful.

Beyond the songs, presents and food, it is an opportunity to create beatiful memories, strengthen friendships and remind everyone of true meaning of Christmas- the greatest gift of all, Jesus Christ!

**Each child will hopefully receive Hope in Every Box.**

**Distribution and activities:**
**Dec 5- Tondo Community**
**Dec. 20-Riverside Community**
**Dec 22-SIKATT Scholars**

**Pray to be part and be a sponsor.**
