

CASA VIETII

The 3 B's. Blessings, Busy and Boiling!

Those words describe perfectly the last few weeks. Today for example it's been 35 degrees in the shade which is all well and good when you're on holiday but not great when you're trying to work. We've been running the ministry one man down....well, woman, as Jamie has been on maternity leave. This has meant that we've been trying to cover the medical side of things too but we're hoping it won't be long before Jamie returns and we can all get back to some kind of routine. We've seen so many

blessings. We were honoured to be joined by 3 ladies from England who came out to Soard with us. Maggie, Elaine and Nicola were all very touched when they witnessed some of the living conditions there. One of the houses they saw was Mara's, remember it was the mud hut that i pictured in the last newsletter that only had clothes thrown across the rafters for a roof and where herself, husband and 6 kids had survived the winter. Thanks to these 3 ladies and to Kerry and Jack Lawrence we have the

funds to put a new roof on and to buy food and baby formula for them. Casa Vietii has been covering the cost up to now because Mara's youngest child, Daria pictured above, was so small for her age. We wanted to take her to the Doctors but because she had no birth certificate we couldn't. Praise the Lord that we managed to do all he papers, get the birth certificate and get the baby medical attention, now the parents can also claim child benefit.

BARBARA AND TOMMY'S VISIT

NEW ROOF APPEAL

LADIES GROUP RESTARTS

Visiting friends

Barbara and Tommy from Huntsville paid us a welcome visit. It's always so nice to spend time with them. They have been and still continue to be part of our team and have assisted in supported ourselves and many others for 10yrs now. Now we're waiting for Eamon and Gordon to visit (Eamon was a missionary here for many years) . This Friday, Mary and Hamish arrive back in Sighisioara. Only this time they will come with a team which includes our good friend and former Sighi missionary Chris who's coming with her husband Andrew.

We will be working out in Soard, renovating the church and medical room. They will also shelve out one of the rooms at Casa Vietii for the baby clothes to be stored more orderly and Sorins tool shed so we might stand a chance of finding tools when we're looking for them!

OUR WAVY, LEAKING, COLLAPSING ROOF!

Roof appeal

As you can see with the picture below Casa Vietii is in desperate and urgent need of a new roof. The existing beams are rotten and are in danger of collapse. The back of the this part of the house is made from wood and needs rebuilding with brick. Whilst we're doing the work we also would like to connect the two buildings creating more storage. At the moment we're having to pay for storage in another part of town. We had three quotes for the work and the cheapest was by Cole (our pastor Pilu's brother). He quoted 7000 euros but taking into consideration price increases we guessing the work will probably now be between 8000 and 9000 euros. Thanks to Amen and it's members 1800 pounds is in the kitty with hopefully another 1200 on it's way. Please pray about this need.

LADIES PROGRAM RESTARTS IN SOARD

IT WAS SUCH AN ANSWER TO PRAY WHEN MARGOT APPROACHED ME ABOUT HER WANTING TO GET INVOLVED IN SOARD. I HAVE SUCH A HEART FOR THESE WOMEN AND MARGOT HAS SOME BRILLIANT IDEAS FOR THE BIBLE STUDIES WHICH ARE VERY VISUAL AND PRACTICAL FOR THE LADIES TO LEARN.

This is Pavel. He is 28yrs and both he and his brother have muscular dystrophy. Pavel is well known locally because of the music he plays as he rides around town. The bike means so much to him because it's his only means of transport. Sorin has managed to do some repairs on the bike but it's in desperate need of several parts including a new battery costing approximately 100 pounds. I have two requests here, the first is that if anyone would like to donate either the money or the actual battery that would be great but also if any of you know how we can get hold of any more of these mobility aids please let us know, I've seen what a difference this one makes in Pavel's life and I know plenty of others who could be blessed by being able to be mobile.

Thanks again for all of your generous prayer and financial support. I wish I had time and the space to tell you all the different things God is doing here at Casa Vietii.

Please pray with us concerning additional staff and the finances needed for the additional helpers. We have been offered an opportunity (and a location) through one of the local churches to minister in several other villages. We are praying that God will raise us some volunteers (almost unknown concept to Romania!) that would be willing to complete some training and serve with us in these villages with minimal support. Sounds impossible! But, God loves us to put our trust in Him and He is able.

We love you and have peace knowing so many are keeping us uplifted in prayer.

Jill, Sorin, and the Casa Vietii team.

PRAYER POINTS

1. THAT GOD IS GLORIFIED THROUGH OUR MINISTRY
2. THAT PEOPLE COME TO KNOW THE LORD PERSONALLY.
3. THAT WE ARE A BLESSING AND EXAMPLE TO PEOPLE AROUND US.
