PRAYER BULLETIN

10. September 2009.

Dear friends,

We are at the very end of the summer, and would like to share with you more about the developments in our ministry at HUB.

Several camps and seminars that we hosted over the summer are now behind us. This was a great opportunity for us to serve others during the summer break. Alongside it, we have also been preparing for the new school year and had interviews with the applicants for the next term, in Belgrade and Skopje. We wait in anticipation for the beginning of the next term and are eager to see a new group of people coming to study in the first and the second year.

Please pray for:

- A blessed time of fellowship and worship during the Mission Conference
- The beginning of the new school year and the new students
- God's inspiration for the teachers who will be teaching students
- That all our needs may be provided for

Mission Conference 2009 - "Open Door"

The special event everyone looks forward to is the Mission Conference from 18th - 20th September. That is going to be an excellent opportunity for a reunion of all the generations of students. Like every year, we will have visitors coming and participating in the Conference, too. This will be another great opportunity to hear what is happening in the mission field and be encouraged to press on.

Ronnie Stevens, a dear and highly appreciated teacher by the students over the past couple of years will be speaking on the topic "Open door - Discovering God's Will in Missions", from the Acts 16.

NEWS in the Team

Olja has been a part of the team for 5 years, from the time the school moved from B.Petrovac to Belgrade. During her ministry God had blessed her and she met Samuilo who was a student at the time. They got married and were invited to join the team for the following two years. That time is coming to an end, and as Samuilo once said: "It is now the time to spread our sails." Many were blessed by their work and ministry, and we are grateful for everything they have done while serving here.

Please pray that God may continue to use them wherever His sails may take them to.

Olja and Samuilo

Even before we moved to the new building, Danijela and Dragan had already been here. For more than 5 years they have been the hosts. Dragan worked in Belgrade, while Danijela faithfully served by cooking excellent food to everyone. Their ministry here has finished,

so the period ahead is a new challenge for them. They will continue to serve with their gifts and skills, primarily among Romany community in Belgrade, Arandjelovac and further. Let us pray for them that God shows them clearly the place and circumstances where He wants them to be next.

Tabita Debreceni from Pančevo, joined our team several months ago. She used to be a HUB student, and now, serves on the team in many ways, primarily by working with and caring for the children of our students. We believe her ministry will be precious to everyone. Please pray for God's strength and wisdom in her life.

Thank you for standing with us in the coming school year. Our desire is that our ministry may be a blessing to churches, believers and everyone else.

May God bless you abundantly,

Yours,
Sladjan and Jaroslava Milenkovic
