

SEMI Ministry News – October 2010

Praise God for...

- The provision of an LCD projector. This will be well used in the ministry and is an answer to prayer.
- Our new dormitory room is almost complete
- We now have a car to use in ministry
- More conversions, more baptisms. It has been a busy, but fruitful time

News

1. Our graduates are doing a great work for the Lord, in different parts of India and among various cultural groups. They are spreading the Gospel and many are coming to the Lord.
2. At present we have friendship evangelism among students. They come to SEMI secretly for discussion, and collect books.
3. Some ladies in the area come to our tailoring class. Ponna shares from Mark's Gospel. Some don't want to follow or listen to the Gospel but a few others are near to a decision to follow Christ
4. Recently one husband and wife came to our Computer Centre for a project. Both are doctors and during the conversation Roy found they feel the need of a Saviour but do not want others to know. Roy invited them to SEMI to talk about arranging some medical work at SEMI. When they came Roy was able to talk to them and lead them to Christ. God blessed this, and now Roy teaches them spiritual foundation and growth.

Please pray...

At Christmas we are planning to conduct a Gospel rally with teaching on drugs and alcohol. We are aiming to reach hundreds of people. We need to raise funds for tracts and books, and to offer practical help for those in special need.

In April we would like to help the poor children from our childrens club by providing school equipment (books, pens, pencils, satchels etc)

Ponna and I would like to visit Israel to see where Jesus walked. After seeing this we believe we can preach Christ with evidence and confidence, so that we will be better able to share Him with the people in India. We need a sponsor for that.

Thanks for your prayer and burden for mission!!

Your friends from the battlefield
