

Village Missionary Movement

April 22, 2011

Beloved in Christ,,

Greetings in Jesus Name.

Thank you for your prayers and support towards our ministry in the past days. We believe that you will be praying for the "Soldiers for Christ camp". We are doing all the preliminary works for it sincerely. All the local Christian leaders and Pastors are wondering whether such a project can be accomplished. We also some time hesitate and even out of fear thought of canceling or postponing the camp. But the Holy spirit is encouraging and speaking to us in various ways. The love of Christ constrains us to push forward in faith. An organisation called "My hope India" has contacted us to give Gospel literature; The director of that organisation was a friend of Gareth Bolton. After knowing our needs of 3 million gospel tracts they discussed with their leaders and after understanding the importance of this project they have promised to give 3 million booklets called "Book of Hope". It was a very good booklet for evangelism as its content are sound and biblical and the format is colorful and attractive. This resource was a great miracle from God as it reduces our financial needs up to 40% (We will use this booklet instead of the planned leaflet and Mark Gospel book). We are raising funds locally also. But we will need atleast another 40 lakhs rupees. Please continue to pray for this and if possible mobilise prayers for this through AMEN. God willing you can help us in this huge project. In this mail we wish to share with you about the "Village vacation Bible study "(VVBS) In the coming May of 2011 we are

planning to conduct village VBS in 1200 villages. It will be conducted in the states of Tamil Nadu, Andhra Pradesh and Orrisa. In each village it will be a five days program. We have prepared our own booklets for VVBS which will be apt for our village audience. The printing work has also been finished. We have also finished giving training to our missionaries and volunteers. We will start

this ministry from May 1st. For one village the needs will be about Rs.2000. In the past years you have helped us much in this VVBS ministry. We praise God for that..This year also you can help us in this project. We pray that God will further use AMEN in worldwide ministries.

Yours in Christ.
