VMM Youth meeting

Greetings in Jesus Name.

By God's abundant grace the youth meeting on May 1st was successfully conducted. Nearly 17,000 young people attended the camp. Nearly 7000 were first time participants.

Young people at the camp ...

... and they all needed feeding!

The day before the meeting we were overwhelmed with different types of problems. There was a heavy downpour of rain. The ground was full of water. But on the day of meeting the waters were almost dried and we covered the whole ground with large tarpaulin sheets. In spite of all the different problems the meeting went smoothly by God's grace.

When we saw the young people giving their lives to the Lord we were overjoyed that all the pains we took seems to be nothing.

A time to ... Sing

Listento David

Laugh

and weep

Please pray for these young people that they may keep their faith and be a witness in their villages.

Please pray also for the ministries and for the monetary needs.

Yours in Christ,
J.Santhosh
