

## Winter update for Dave McGuire January 2016

I begin by thanking the Lord Jesus and all of us together in him who work together in his works sharing Jesus with people. Knowing Jesus personally is a joy and privilege.

In the recent times we have in faith built a house for the couple who was blessed with a caravan to stay in. They were able to move in just before Christmas. Help came from several sources for the wood, door, window furniture (from project Romania), money for roof and finishing off plaster boarding, and insulation boards from the Dutch charity from SNR.

We have also just completed the rebuild of a house for a family in Danes village after their house had burnt down in December after a tragic fire.

Among other blessings have been the opportunity to deliver wood that we first cut ,and chopped to over 40 families thanks to AMEN charity

Hodu and Christy, the men who work with me, have been helping project Romania with their projects.

They have also been involved in the Manna Church building project, the Nazarene Church building project ,and in constructing a house for Hodu's grandmother. There is no shortage of opportunities to bless people and further the Kingdom.

Rodica continues to voluntary help in church office, to co lead worship at the church, and do Sunday School with the team. Sabrina grows in school and is learning to play the piano.

I was sad to say goodbye to the old Dacia car which has been taken to the scrap yard. I have many good memories serving the Lord in this.

Thank you to Relu who served with us for many years but now since October is Nazarene Pastor in Sigi. A new man, Cristy from Tigmandru has come on board.

We are taking bible studies in the village of Secuieni and running a men's group in Sigi. We are planning other group meetings. I continue to serve in Manna church and to support Pastor Pilu.

As I get more involved in pastoral work, many difficult situations come to keep me on my toes and seeking the Lord for help in funeral situations and people in sin situations; but God gives keys in prayer to have discernment

Thank you all for your prayers and support to us

House 4 in Danes is a blessing to teams coming to help me, but Liviu (Church Youth Leader) and other church teams are using the house which can accommodate up to 12 people as they come and serve the lord

My physical energy goes down a lot at time, but my passion to serve and grow in Him and prepare and develop people in the Lord is growing more and more in me and the men also.

Being asked to be part of the board of word for a Romanian devotional booklet has been a honour to join.

Take care.

Love in Christ from

David, Rodica, Sabrina and the team
