

REPORT OF THE CYCLONE RELIEF SPECIAL PROJECT 2018

Dear Our Praying Friends

Greetings from Trivandrum in Jesus 's name. We have informed AMEN about the OCKHI Cyclone victim in Trivandrum their struggles , pain and suffering. This place is just 15km away form SEMI also our students doing Sunday school and Church planting. When I heard this incident I and Ponna ran to that places and could see their shout for lives weeping for their lost ones etc....

As I reported you earlier so many lives killed, missing still in the sea , injured and lost their houses and belongs. Among them our believers and Sunday school children's also were there. Their struggles for food shelter cloths and medicine we could pointed out. There are some other charity groups came to help them so SEMI also thought to do something and send email to Br .Chris Chatfield and to AMEN. By the answer to our prayer AMEN agreed to send some money to meet immediately these people. So....

On 11th January we could help these people by handing over 100 food packets to the needy in our SEMI worker house near the sea. Ponna gave a living testimony and Roy gave a short message it was challenge for many Roman Catholic people and many have tanked the decision to follow Jesus and come to our fellowship in sea shore.
