Message of thanks from Tender Heart:

Dear friends, churches and organisations

We want to take this opportunity to thank you for your financial support and prayers that have helped us complete the Hope Centre. We thank the Lord for His provision and we thank Him for providing wonderful friends like you. You have stood with us faithfully over the last few years and have made sure that the Hope Centre has come to completion.

We have named the centre 'HOPE' because it is our prayer that the people who come into the building will find HOPE in Jesus and a hope for the future through the projects we are doing.
