

HUB newsletter

July 2017

Dear brothers and sisters, friends, supporters...

We are rejoicing that we can greet you this summer and share with you even a small part of what is happening in the ministry of HUB and the Bible school.

With a mission conference and gathering former students of HUB and many guests we've finished 21st year of the Bible school. A year of many blessings and life together is over and we are glad that we could share our lives with students for this time and see how God has taught them and built them up while they were studying God's Word and serve to many. Pray for this group of people and their further steps.

Enrollment of the 22nd generation

Enrollment is now open for the new school year and new students. We pray that God will bring the right people who will study next school year here.

The HUB Bible school by now has finished over 350 students and many of them are included in the mission work, church ministry, christian

21. generation of the HUB students

HUB Bible school in Serbia

HUB is still the only one interdenominational evangelical school in Serbia that offer full time intensive studying. Only in the first year of studying, students have over 900 classes of teaching, while studying all the books of the Bible with over 50 teachers, they have at least 30 days of practical ministry and countless hours of traveling, serving, visiting churches, etc.

During this school year we have visited over 50 churches with the students, where we could serve. We pray that the HUB Bible school will continue to be a blessing to many while equipping people for a ministry in Balkans.

Summer at HUB

Someone said that Belgrade is a city that never sleeps. We say that HUB is a place that is never empty.

So this summer also at HUB we are hosts of many camps and retreats.

We are especially inviting you to pray for our Camps of Hope. Camp for families with kids who were treated for malignant diseases is from 13-17th August, as well as camp for families with kids with disabilities from 20-24th August.

We still have a need for volunteers who will serve with us to these families.

My little café in Opovo

A year ago, from dreams to reality! „My little café“ in Opovo has been opened for 9 months now and we truly see that it is a real thing that through this work, as believers, we can be closer to the community, meet new people, be more visible and more accessible. As people of God, we can offer many things and as "the greatest missionary" of all times, Jesus, we walk and meet new people every day and offer them an

“Thank you for all workshops and for everything! Thank you for being here ”

opportunity to see us and get to know us. That is a zone with less comfort, than in which we maybe used to be, but that is a zone where God is calling us to be.

We organize in the cafe many events, creative and educational workshops, musical nights, ... We pray that this place will be a good model and that something like this would be expanded in many cities and villages in our region and wider. So, we still continue to „dream“ dreams and pray for what is from God to stay!

This is just a glimpse of what God is doing through the ministry of HUB. Thank you for your faithfulness and for standing firm with us. Pray for us while we continue further on! God is great!

Yours in Christ,

Sladjan and Jaroslava Milenković
