Youth Camp

ABOVE: SIKATT/BBC youth had meaningful celebration of Holy week as everyone remembers what Jesus had done on the cross. We reflected on the wonderful creations of God and how we can take part of our involvement to the ministries the TOGETHER we are CALLED based on Romans 1:1-16.

Livelihood

ABOVE: Batanes garlic landed in SIKATT/BBC for the livelihood program for our brethren in Manila and for the benefits of the ministries both in Tondo and BIG (Batanes Interest Guild) LEAP. We are selling the garlic and garlic chips to our brethren and have given the profit to the said ministries. In spite of financial difficulty we work together for the continuous service for God.

ABOVE: Ptr. Dan from Batanes (Basco Baptist Church) shared his testimony during BBC worship service.

Founder's Corner

We are CALLED! I'm grateful that the Lord had given me and my family the privilege to serve Him. Just like apostle Paul in Romans 1:1-16; God revealed Paul's calling. It is the same is true in how he called me and my family to be of His service in His kingdom. Despite of our situation, the more we are eager to pray and continue the work He entrusted to us. Praise God for my children and we are ready to be of use for His glory alone.
