

## VMM News August 2017

Greetings in the Name of our Lord Jesus Christ.

We praise God for all your encouragement, prayers and support.

The God of all comfort has been with us in the past weeks in the ministry. Children and youth of the villages are met regularly with the gospel. Though oppositions are there in certain villages, India still has lot of open doors. Reaching them wisely with prayer is all that matters. In this news update we wish to share praise and prayer points with you.

### **Ragland Bible College:**

This year 88 students has joined the one year Bible college course. More are coming still. Every week the students will have three days of class room training and on the remaining days they will be sent to mission fields with the senior missionaries.

Pray for:

The student might grow in the knowledge of God and His word.

For the needs of students: We need to spend Rs.1500 for every student's monthly food and boarding expense.

For the construction of dormitory for the Bible college students.

The present need is a building of 2000 square feet and the cost of building one square foot is Rs.1500. Also we need double storied dormitory cots for 50 students. Pray for the huge needs.

### **500 new missionaries to 3000 villages:**

This year we are praying and planning to raise 500 new missionaries who will reach 3000 new villages. Thus far 130 new missionaries has been appointed. For one missionary we need Rs.3000 per month initially.

### **Day care centres:**

We have adopted 93 children from 3 villages in our Virudhunagar mission field. Through this day care centre the children will be helped in their day to day education with the help of six teachers appointed for this purpose. Every day we provide them food in the morning and night and transportation. We also help them in buying school text books and dresses.

### **Tuitions centres**

Very recently, we face much difficulties and oppositions in the villages to do the ministry. To make the situation a little bit easy, we have started tuition centres to meet the educational needs of these children and thereby we develop in them the love for Christ in their heart. We use one teacher to one village. We are giving them food to them daily morning and evening. After some years we expect these children to help us to do the ministry in their villages without any problem. Monthly once we proclaim the love of Christ to these students. Kindly do pray for the needs to be met.

### **One new district every month:**

We gather all the young people who are saved through our ministry and train them and take them to a particular district and we proclaim the Gospel of our Lord Jesus Christ. We are trying to reach a large number of villages in the district. Through this ministry, we have reached 310 villages in Ramnad district under the title **operation Ramnad**.

Again in the month of July-August, we have reached around 90 villages through our trained team in the district of Sivagangai under the title **Operation Sivagangai**.

God has done greater things through these efforts. We have plans to reach all the 32 districts and the innumerable villages for Christ. Kindly do pray for the strength, plan, man-power to perform this ministry successfully to reap a large number of souls for Christ. We need Gospel Tracts, new Testaments, Full Bible in large quantity. Kindly Pray and support.

### **Motcha payanam monthly daily devotional magazine:**

Any field ministries success depends on the follow up ministry. One of our follow up ministry is through our monthly magazine Motcha payanam. It is a daily devotional and it is used greatly by God for the growth of new believers. We like to print at least fifty thousand magazines every month. Pray for it.

### **Philip Gospel teams:**

We want to make every new believer into a soul winner. In every mission field we gather those who are interested in village ministry and lead them as teams for field ministry.

Pray that many villages be met through this Philip gospel teams.

Pray for all the missionaries and the villages they reach. Pray for Taluk prayers which are conducted in all mission fields.

Pray for the missionaries and ministries in the state of Andhra and Odisha.

With your prayers and support help us to fulfill the God given vision.

May God bless you as you seek His kingdom first.

With love and prayers,

David Ganesan.
