Founder’s Corner

As I continue to seek God in my life and working on different ministry opportunities here in the Philippines, God kept me in my knees and I came across on Luke 11:5-13 which made me go back to the basic.

Prayer and continuous prayer as it is written in Luke 11:9 “So I say to you: Ask and it will be given to you; seek and you will find; knock and the door will be opened to you.” I knew to myself I have wonderful vision for the ministry and PRAYER is the key. The other thing that God impressed to me is PARTICIPATION, God wants us to offer our lives and give our best to Him.

I’m into much prayer and continue to work on His Kingdom.
