Founder’s Corner

After a great storm, God reminded me of the Jesus’ purpose on coming on earth based on Matthew 28. He came as pardon for our sins; to reveal God’s ultimate power and as fulfillment of God’s promise.

No matter of what we are facing Jesus’ purpose will remains and His word is never changing. We might change , how we feel, react on our situations but the amazing truth is that God’s love never ceases.

God continue to encourage and pushes me to go on so that people will come to know Jesus in their lives.
