UPCOMING ACTIVITIES!

PASTOR'S CORNER

You don't have to worry! What is worry? The Greek word translated "anxious" in Philippians 4:6 means "*to be pulled in different directions*" Our hopes pulls us in one direction; our fears pulls us in the opposite direction; and we are pulled apart!

In spiritual point of view, worry is wrong thinking (the mind) and wrong feeling (the heart) about circumstances, people, and things. Worry is the greatest thief of joy. Worry is an "inside job" and it takes more than good intentions to get the victory. **The antidote to worry is the secure mind.** When you have secure mind, the peace of God guards you (Phil. 4:7) and the God of peace guides you (Phil. 4:9).

If we are to conquer worry and experience the secure mind, we must meet the conditions that God has laid down. There are three:

- **Right Praying (Phil. 4:6-7)**
- **Right Thinking (Phil. 4:8)**
- **Right Living (Phil. 4:9)**
