### FOUNDER'S COLUMN

**'TRULY I TELL YOU, WHATEVER YOU DID FOR ONE OF THE LEAST OF THESE BROTHERS AND SISTERS OF MINE, YOU DID FOR ME.'**

Matthew 25:40

Christ identifies so closely with the poor, the needy, the marginalised and the lost that he declares, what is done to help them is, in effect, done to him. So, whether it's the Roma gypsy families receiving shoe boxes in Romania, the children from Indian slums being educated and fed, the urban poor on the margins of life in Manila receiving dental

treatment, the HIV/AIDS sufferers in Nigeria first hearing the gospel and then being helped or the widows of Pakistan being given some basic needs, the motivation of all the AMEN partners is to demonstrate the compassion of Christ while sharing the message of the gospel. How is all this possible? It is your regular faithful support that enables our partners to consistently fulfil their calling. As our charity purpose statement declares, we exist 'to partner with holistic Christian ministries in mainly developing countries'. By God's grace, that's what we plan to continue doing with even greater effect for the foreseeable future.
