

SIKATT and Bible Brethren Church (BBC) - Manilla, Philippines

We would like to share our utmost gratitude for what we have done with our **COVID Help Project**; with the help of AMEN

We distributed the following help:

- 20 senior citizens received cash aid, vitamins and groceries.
- 140 poor families received rice and cash aid
- 20 families with young children, who are living in slums, received relief packs
- 15 pastors and workers received cash aid and groceries
- We gave surgical masks and food to our 25 front liners security guards and janitors

In the relief packs we put in gospel tracks
