

## Report from Winston – Food relief in Cebu City, Philippines

A team from 'Companion With The Poor' (CWTP) and volunteers from a local church packed 400 food bags for 400 families living in poverty in Cebu city. Today (15<sup>th</sup> May) the food bags were distributed in three different poor areas of Cebu city. So many people have lost their jobs due to the lockdown, so have no money to buy food. Thank you to everyone who has contributed to this work.

Yesterday (14<sup>th</sup> May) Pastors and their teams of volunteers went to the houses of poor families and gave them a voucher to come to the distribution centre and collect their food bag.
