

Message from Tjis and Jessica from Pelunca, Romania

"Thanks to a beautiful donation from 'Amen Trust' and some individual people, we were able to further help the people in the Roma village for the past two and a half weeks with food, medicine and necessary financial help. Instead of helping 100 families, we chose to shorten the period of help and help 125 families. The needs of all the families were unbelievable.

The lady of the local shop was admitted to the hospital, so we had to provide the food for ourselves. The first week the people got 5 kilos of potatoes and 3 loaves of bread. The second week they each got 10 kilos of potatoes and their loaves. It was Interesting transporting 1250 kilos of potatoes!

Once again we thank all the people who donated, and so in this way, helped the Roma in this period. Above all we thank our Lord, that we could look after the poorest and that so many finances came in."

Thank you to everyone who donated to the AMEN's Covid-19 food appeal.
