

Message from Ria and Zaldy, SIKATT, Philippines - Lockdown food distribution.

"I'm pleased to inform you that we were able to distribute 150 Food Relief Packs to a very poor community in Tondo Area in Manilla. They received rice, noodles, canned goods, bread, milk and biscuits.

We delivered food packages to senior citizens, young mothers, persons with disability and homeless families, who received the food boxes – with a note of the box saying 'Jesus loves you'.

They are very thankful since mostly they have no decent food and no decent place to live on.

Thank you so much for the partnership."
