

VMM Update

There are 740 missionaries working in 3 states in India (Tami INadu, Andhra, Orissa). They operate in villages where there is no church. Our missionaries are reaching the children as per the vision God gave to us through the verse, "... Feed my lambs." John 21:15

Though we faced hardships in the corona lockdown days, our Lord was so gracious to meet our needs through your earnest prayers and support. We were able to help many villagers.

After the lockdown, when we prayed for the leading of our Lord, He gave us a burden to reach out to souls that are unreached. For that we need missionaries. "...The harvest truly is great, but the labourers are few:" Luke.10:2. With this great demand for missionaries, our Lord made us pray earnestly and answered by supplying missionaries. We are training the first 120 missionaries from 20 March – 28 April according to Acts 1:3 for 40 days and we will send them to minister in various parts of Tamil Nadu. We call that apostolic training as **Training Camp for winners of nation (for Christ)**

Highlights:

Bible classes will be conducted every day

Practical field training

Training through powerful and gifted men of God

Face to face training to minister in a powerful way with miracles and wonders

Training for childrens and youth ministry

Film ministry

Helping drug addicts and bringing them to our campus for rehabilitation

Training to form house churches

Accommodation and food for the participants

Trainees will come back for 5 days every month for 2 years

Trainees will be awarded B.Th after the completion of 2 years.

Please pray for:

God's guidance in the training and subsequent plans

God's hand upon every trainer and trainee

God's protection on the training campus

Funds to train/feed each missionary and meet needs in the village they minister in the construction activities inside the campus (we do not have enough rooms to accommodate the participants)

The plans to construct rooms to accommodate 12 participants in a room. Three lakhs (£3,000) will build one room. We need to build at least 10 such rooms immediately. At present we are converting a car parking shed into temporary staying rooms for the Bible college students.

We are constructing a big auditorium to conduct meetings for 1,000 participants. Nearly 70% of the work is done by the grace of God. A further 15 lakhs will help to complete this work.

We meet many people with drug addiction and mental problems in our ministry fields. We need to bring them to our campus for prayers and rehabilitation. For this we have received permission from the Government to construct a building for 3000 sq feet. which will cost 45 lakhs (£45,000)

Vacation Bible School

We plan to conduct VBS in 3,000 villages every year and we have succeeded in planting in them the truths of sin, salvation, new life in Christ, deliverance , Heaven and hell. Kindly pray to our Lord to use these young ones to be used in this endtime revival. We need 5000 (£50) rupees per village to take the gospel to the young children.

With prayers,
