FRIDAY 11 *A great need here is a genuine Covid-19 test. Since hospitals are filled with people nowadays, some cannot be bothered to help the poor. SEMI has been sponsoring testing for the virus and just today, 56 people benefited and 37 were sent home to quarantine with some medicine and a food pack. Pray for our nation and for the authorities as they have a great responsibility to address the suffering of the Indian people. Roy and Ponna, INDIA*

JUNE 2021

SATURDAY 12 Francis & Alison and the staff at Tender Heart need good health, strength and protection as they coordinate and organise the relief work for families affected by the pandemic. Remember all our AMEN India partners as they proclaim the Good News and demonstrate compassion through relief that people's minds will be opened and they will come to faith. **INDIA**

SUNDAY 13 Thank God for the Lahore Council of Churches' leadership for standing with those being persecuted. Let us unite together in praying for good fruit to come about from their efforts. Pray also for Arjumand to be rooted and grounded in God's word so he can be strong in the power of the Lord. As he takes over the responsibilities of the charitable work among widows, may he know the Lord's deep love and compassion for the needy.

PAKISTAN

MONDAY 14 'When anxiety was great within me, your consolation brought me joy' Psalm 94:19
Pray for:

- * Surreya, Edwin's widow, has health challenges.
- * Shahjahan's visa requirements for entry to the USA.
- * Maria as she works on very difficult legal matters
- * For the late Edwin Khan's family to experience the promise of God to the persecuted and grieving.

TUESDAY 15 The present experience of Christians in a particular place in north India is often one of persecution. Christian work was disrupted in the aftermath of intense violence and civil war. This led to the departure of many, while leaving behind the indigenous believers. The spiritual oppression in this place is strongly felt. Pray that though hard pressed on every side, they will not be crushed; though perplexed, they will not despair; though persecuted, they will never feel abandoned as Jesus Christ promised. He broke the power of him who holds the power of death – that is the devil.

INDIA

WEDNESDAY 16

May the Lord encourage Thompson and his fellow workers to realise their plans to:

- * Support regions in India affected by Covid-19 by providing them with effective medicine
- * Assist indigenous Kashmiri families with their financial needs
- * Provide care and support to the orphans of Assam.
- * Assist the Pastors in their needs.

INDIA

BE ANXIOUS FOR NOTHING, BUT IN EVERYTHING BY PRAYER AND SUPPLICATION WITH THANKSGIVING LET YOUR REQUESTS BE MADE KNOWN TO GOD. AND THE PEACE OF GOD, WHICH SURPASSES ALL COMPREHENSION, WILL GUARD YOUR HEARTS AND YOUR MINDS IN CHRIST JESUS.
PHILIPPIANS 4:6-7

THURSDAY 17 Thompson was able to visit Kashmir for two weeks, and after seeing the actual situation of Christians there, he is requesting prayers that GOD will show him and his fellow Christian workers God's big plan for this place. **INDIA**

FRIDAY 18 The Covid-19 vaccination scheme of the government is delayed so that the only possible way is to pay and get it from private hospitals. For one person it costs £5.00. We are hoping to vaccinate all our missionaries and their children plus their dependent parents. The number of people totals around two thousand. Thank you for praying with us. Santhosh, **INDIA**

SATURDAY 19

Please pray for our needs:

- * Two solar water pumps for the housing of the boys and the girls. This reduces the electric bills.
 - * Thirty solar night lights. It is important to be aware of snakes & scorpions at night in the VMM campus.

JUNE 2021

SUNDAY 20 "For I was hungry and you gave me something to eat". Matthew 25:35

Praise God! With the help granted by AMEN, we are giving food daily to the villagers nearby who are very grateful. Also, there is no ambulance service available for many of the villages around us, so pray that we can start one. We are in an emergency situation where the virus is spreading more rapidly. While many missionaries are recovering, sadly, we have lost one missionary brother. VMM, **INDIA**

MONDAY 21 Jesus said; Go into all the world, and preach the Good News. Each week, we share not only the gospel but also food is being distributed to 1 or 2 villages with local churches of different denominations connecting together. The gospel is shared, the sick are prayed for and most are getting healed. Many are finding freedom as they are having demons cast out of them. We have not seen the dead raised yet but we believe they can be, in Jesus' name. Others are growing in Christ with weekly Bible studies and a cartoon Bible group for children. We have been working with missionaries from different nationalities in YWAM and it is a joy to see the works of the Holy Spirit poured out. David and Rodica, **ROMANIA**

TUESDAY 22 Our two workers and our volunteer have been growing closer to the Lord. All three want to get baptized, but until now, none of them has taken the step. Every time, they face an enormous inner struggle that keeps them from doing it. Please pray also for us as a family. We're still going through quite a hard time. It is just all so twisted since Covid-19 started. Not only has it had a very big effect on our ministry but also on us personally. Tijs and Jessica, **ROMANIA**

SUNDAY 23 Because of the restrictions that are still going on, we still cannot restart certain programmes. But we are still using this extra time to the fullest to breed animals and creating space for more as well as ploughing, sowing and planting. In time, we hope to be able to give people meat, vegetables and fruit. But the main goal is to, step by step, teach and help the people to do this on their own. So please pray for us to have wisdom in this and for a good harvest. Tijs and Jessica, **ROMANIA**

IF MY PEOPLE WHO ARE CALLED BY MY NAME
HUMBLE THEMSELVES, AND PRAY AND SEEK MY FACE AND TURN
FROM THEIR WICKED WAYS, THEN I WILL HEAR FROM HEAVEN
AND WILL FORGIVE THEIR SIN AND HEAL THEIR LAND.
2 CHRONICLES 7:14

MONDAY 24 The construction works at the centre in Geoagiu are on hold again. We were so happy that we could finally start, but a little while later someone from the city hall came to tell us that something was still not completed in the papers. We needed to contact an intermediary who is authorised to fix this last issue. So we got in touch with someone recommended by the city hall. That guy promised us it would be solved in only a few weeks time. But now more than a month later, we still can't contact him. So please pray that this may be cleared up as soon as possible. Tijs and Jessica, **ROMANIA**

TUESDAY 25 A while ago we were called to pray for Simona, a young woman from our village who was completely paralysed from the waist down, as well as the left side of her body. She was so depressed because of her situation. So, of course, we went, shared the gospel with her and prayed for her. Last week, her grandma passed our house again at the same time as we came out of our house. She started crying while she explained to us what had happened. Following prayer, we left her house and Simona started to feel better.....and every day better and better. Eventually, after a week, she was walking again and no longer wearing pampers. Praise the Lord!! Tijs and Jessica, **ROMANIA**

JUNE 2021

WEDNESDAY 26 Thank God for saving the lives of Ira and Sasko in a recent car accident and for their daughter Abigail who is doing so well in her studies. Their greatest need at the moment is to find the right house to move to and the right place for them to set up all their Elion Media ministry equipment. For the ministry to function effectively requires additional helpers so that they can see the work of God prosper in Serbia and the rest of the Balkans.

SERBIA

THURSDAY 27 "Then each one of them was given a white robe, and they were told to wait a little longer, until the full number of their fellow servants, their brothers and sisters, who were to be killed as they had been was completed". Rev. 6:11 'Our team leader in one of our mission fields has been killed together with his 3 year old son', says Naphtali. He is survived by his wife Bannita and their baby daughter who is still feeding. A few weeks before this happened, bandits were taking over communities around the area and families were moving out, so children had to stop going to school. Naphtali travelled to the field for the funeral where quite a number professed faith in the Lord. Thank God for the life of our brother and in the pain of their loss, pray his loved ones and the mission will know the comfort of the Almighty God.

NIGERIA

FRIDAY 28 *Pray today for the trustees of AMEN: Chris Chatfield, Janet White and Simon Williams. They all need wisdom and guidance from the Lord as they run the charity and communicate with all the partners. Ask the blessing of God on their jobs, families and loved ones.*

SATURDAY 29 Remember people who support AMEN by volunteering, praying and donating. Please pray for their jobs, their loved ones, their health, their protection and the Holy Spirit to refresh them in all their situations.

SUNDAY 30

Lift up other AMEN partners in India in these difficult times: Caroline in Tamil Nadu, Jeyakar & Rani in Chennai and Joseph Paul in Chennai. Ask the Lord to bless them and keep them, to make his face shine upon them and be gracious to them, to make the Lord turn his face towards them and give them peace.

REJOICE ALWAYS,
PRAY WITHOUT CEASING,
GIVE THANKS IN ALL CIRCUMSTANCES;
FOR THIS IS THE WILL OF GOD
IN CHRIST JESUS FOR YOU.
