New Year 2022 message from Mia

The New Year found us in good health, and we are grateful to have our centre open and no new restrictions because of Covid. Many of my friends have been sick and have recovered after Covid, some people I knew did not survive last year. This is why we are grateful for our health every day to be able to work, to serve, to encourage, to bring hope, to show the love of God.

Thank you for being part of this ministry and for all your support.
Blessings
Mia
