

## FEBRUARY 2022

### TUESDAY 1

"We are hard-pressed on every side, yet not crushed; we are perplexed, but not in despair; persecuted, but not forsaken; struck down, but not destroyed." 2 Corinthians 4:8-9. Thank the Lord for all that was done by Winston and his team in 'Companion With the Poor'. They were able to respond to the victims of the super typhoon Odette in their outreach areas in Cebu. 1120 families benefited from food packs, 970 corrugated metal sheets were donated to 181 families and 200 meals were given to 200 children. **PHILIPPINES**

### WEDNESDAY 2

Thank Jesus with us for the privilege of serving him and working together with such wonderful people both locally and abroad. The Christmas shoeboxes brought great joy to so many families. Food has been a major way of reaching each week the needy in villages and also resulted in prayer for sick people. Wood for heating is a basic necessity and always required by families as well as individuals living on their own. House building for the poor is continuing. *David and Rodica, ROMANIA*

### THURSDAY 3

By the grace of God, new missionaries are regularly joining in our ministry. It is a great opportunity for us to train them in our Bible college while Covid-19 restrictions are in place. In our campus, we have regular prayer and teaching sessions. Pray that every new missionary will be trained in doctrine and develop a godly lifestyle. *David, INDIA*

### FRIDAY 4

God willing, Gareth & Malou would have arrived in **Serbia** today. They will be travelling to different areas and different churches including gypsy fellowships. Ask the Lord to bless his small church in this nation that believers will have the courage and boldness to proclaim the hope they have in Christ. May God reveal to people that good works and religion cannot save them, only Jesus.

### SATURDAY 5

To be able to enrich the spiritual life of Christians and to communicate the gospel throughout Serbia and beyond, we need more people on our team plus a larger facility. This would provide an opportunity for others to join ELION Media ministry so that together we can continue producing more Christ-centred content for the Kingdom of God. *Sasko & Ira, SERBIA*

Now the Lord God had planted a garden in the east, in Eden; and there he put the man he had formed.  
*Genesis 2:8*

### SUNDAY 6

We as a team in Mission Field House are conducting outreach this month. The work in Abuja, the capital, is gradually taking off and we are meeting twice a month. We need God's grace, wisdom, strength and safety. *Naphtali, NIGERIA*

### MONDAY 7

During 2022, our vision is to reach new families for the gospel, see new people coming to Christ, the spiritual growth of church members and the planting of new mission stations. We want God to use us even more for his kingdom. Ask for wisdom and knowledge in our evangelism, protection from the evil one and good health. *Sanjay and Bastine, INDIA*

### TUESDAY 8

Sam Thompson and some other brethren have helped fund the construction of our 28-room training centre so that at the time of writing, the roof girders are now in place. Ask God to bless the workers and to provide for the remaining part of the funding so that the work can be completed soon for his glory. *Tassie, NIGERIA*

### WEDNESDAY 9

Pray that the leadership of the Christian Association of Nigeria will be more proactive and engage in conversations that will promote the well-being of Christians as citizens, rather than seeking personal gain from government functions. *Tassie, NIGERIA*

## THURSDAY 10

Heavenly Father, we lift before you family and friends who are suffering from illness and those who have been bereaved of their loved ones. We ask for their healing and for the comfort of those who mourn. May they know the love of God, his presence, his Word and by faith, hold on to our Saviour. In Jesus' name, Amen.

## FRIDAY 11

We need ladies to join the staff of Casa Vietii to help us out at the centre. Tanti Nela is getting older and cannot put so much effort into cleaning and making packages for babies. Ask the Lord to send us ladies who can speak English and have computer and administration skills. We also want to be able donate more food parcels. In addition, this month, we have to find sufficient money to pay our taxes, *Mia*, **ROMANIA**

## SATURDAY 12

I need wisdom as I prepare lessons for a media seminar that runs from February 28 to March 4. This media training will be for CEF workers from Europe (Children's Evangelism Fellowship)  
*Sasko & Ira*, **SERBIA**

## SUNDAY 13

I'm currently enrolled in the Philippine Christian University taking a MEd in education and a major in guidance counselling. The teaching is a great help in relating to individuals, especially the youth. Pray for provision for my tuition fees and please remember my mother, Beth, who is in Canada and has problems with her eye. *Ria*, **PHILIPPINES**

## MONDAY 14

Father, we thank you for those who volunteer for AMEN, give their time and money and who pray. May you grant them and us victory in the battle so we can spend time in prayer and in your Word. May you reveal deep truths about your love and give us boldness and courage to speak out for you and stand up for your glory and honour. Protect your flock from the evil one and may each know the provision of their needs. In Jesus' name, Amen.

## TUESDAY 15

Remember the trustees of AMEN: Chris Chatfield, Janet White and Simon Williams. Ask the Lord to bless them with unity and discernment in their decision making. May they experience the help of the Lord in their different responsibilities in the charity regarding its management, administration, accounts, publicity and communication. **UK**

## FEBRUARY 2022

The Lord God made all kinds of trees grow out of the ground—trees that were pleasing to the eye and good for food. In the middle of the garden were the tree of life and the tree of the knowledge of good and evil  
*Genesis 2:9*

## WEDNESDAY 16

Join us in giving thanks to God for what he enabled us to do last year through 'Living Hope'. We reached out to 2560 adults with the gospel during which 202 adults accepted the Lord as their personal Saviour. 78 were baptised and 3098 children came to different programmes. We saw 445 of them profess faith in Jesus. Plans for 2022:  
\* Four leadership seminars at different places where we did Christmas outreaches.  
\* Four ladies conferences and two seminars for couples held in different places.  
\* Three missionary trips where we can serve different ethnic groups.  
*Nasir & Sabahat*, **PAKISTAN**

## THURSDAY 17

Pray people will consider helping Saško and Ira though prayer and financial support to establish the ELION Media Centre. **SERBIA**

## FRIDAY 18

Although God opened the door for me to serve in Tigmandru, a place where I fellowship with Christians in my home town every Sunday morning, I need guidance as to where I should be attending church as a member. My daughter Betina also needs to find a church in Liverpool so she can meet good people who will be able to influence her to seek God and to grow spiritually so she does not feel alone. She is working from home 2 days a week and has not been able to make new friends yet.

## FEBRUARY 2022

### SATURDAY 19

We need wisdom in leading the SIKATT ministry so that we see success in the programmes and activities we have planned. By success, we mean that the 25 SIKATT scholars will grow spiritually. Until now, we do not have a car to move around so we are looking for a second-hand vehicle for our transport. At the time of writing, we are seeing an increase in infections and transport is getting more costly & difficult to find. *Zaldy and Ria, PHILIPPINES*

### SUNDAY 20

A new step of faith for 2022 is to extend to other churches and villages the training of leaders which means equipping new ones in areas of evangelism, prophecy, preaching, healing, humility, youth work and teamwork. *David and Rodica, ROMANIA*

### MONDAY 21

There is a great need in many churches to help people understand the difference between the life changing gospel and mere traditional church attendance. Pray that preachers today will be channels of revival to many hearts. May Grace & Light speakers be anointed as they share our vision in churches. *Tassie, NIGERIA*

### TUESDAY 22

As new missionary families and singles join Village Missionary Movement, we have a huge shortage of space in our Gethsemane Campus. The present dormitory for singles and for families is inadequate. Pray with us as we ask the Lord for more rooms to accommodate and train 120 new workers. We will have to build 60 rooms. The present kitchen and dining structures are also insufficient. We are praying we can modernise the kitchen with a larger building. Pray for these crucial practical needs which will aid in preparing new missionaries for the nation. *David, INDIA*

### WEDNESDAY 23

...continued plans for 2022: *Nasir & Sabahat, PAKISTAN*

- \* A discipleship camp for youth on the mountains.
- \* Three sewing centres.
- \* Two prayer walks around Multan. This is a place which is a stronghold of evil, with hundreds of shrines where people worship graves.

### THURSDAY 24

Thank God for the great encouragement that three students who are DAS (differently abled students) have obtained admission for further study in higher secondary school. Another praise point is the well

*The Lord God took the man  
and put him in the Garden of Eden  
to work it and take care of it.  
Genesis 2:15*

received ongoing Sunday afternoon Bible studies on 1 John which is for deacons, youth and women leaders. I have been through a rocky time and I am still dealing with weakness in my nerves and bones. But thank God I could still do counselling online and take part in church ministry such as teaching and preaching. My church has just asked me to start a preaching seminar/club. Please pray also for provision for my own needs and for my mum who has eye problems. *Awon, INDIA*

### FRIDAY 25

Praise God for answer to prayer! Hamid Sheik recovered from cancer. God completely healed him and his family has trusted Jesus Christ. Every Sunday they join us in worship. Sister Ghaya was also blessed with a job she wanted. God is good. Please remember brother Pintu who is suffering from paralysis and Kore, a Hindu lady, who has a spinal problem but has been coming to us at the mission station for prayer. *Sanjay and Bastine, INDIA*

### SATURDAY 26

At Mission Field House, we are doing follow up with those who responded at the annual convention which is held on Eggon Hills and which thousands of adults and children attended. *Naphtali, NIGERIA*

## FEBRUARY 2022

### SUNDAY 27

...continued plans for 2022: *Nasir & Sabahat*,  
**PAKISTAN**

\* Easter outreaches among the poor.

\* Children's camps in the most needy areas with small gifts for each of them.

Pray for us and our needs; *Nasir, Sabahat, Jerome and Joshua*. We need more wisdom, strength and good health.

### MONDAY 28

Cases of rape and other related social vices are daily increasing with most of them happening unreported for fear of stigmatization and lack of awareness. Pray for Grace & Light survivors to find comfort, peace and strength in the Lord and that their healing will be of help to other survivors.

*Tassie*, **NIGERIA**

*And the Lord God  
commanded the man,  
"You are free to eat from any tree  
in the garden;  
but you must not eat from  
the tree of the knowledge of  
good and evil,  
for when you eat from it  
you will certainly die."  
Genesis 2:16-17*
