

David McGuire

Over 2,000 presents have gone out this Christmas from 4 sources received from the body of Christ, which has been a great joy for so many children and families

Rodica and Mia have been doing a ladies meeting throughout this year and even took them to a women's retreat, where they were blessed with good food and teachings of Jesus

Food has been also a major way of outreach this year reaching villages every week to the needy and praying for people as we meet them/and as they would like.

House buildings have still happened this autumn through God's generosity

I thank Jesus for the privilege of serving him and working together with such wonderful people both locally and abroad

from David, Rodica and Sabrina
and all friends in Christ who make this all possible

AND MOST OF ALL JESUS WHO THROUGH THE POWER OF THE HOLY SPIRIT GIVES LIFE HEALING, JOY
AND HOPE FOR EACH NEW DAY
