Ukrainians refugee in the Community centre

On Saturday we participated at the wedding of one of our young ladies from youth group when pastor Florin called, he is contact with the Baptist churches' network that responded to the Ukraine crises and told us about the need of 9 refugees who needed transport and a place to stay for a few days.

On Sunday morning at 5 o'clock we arrived with the 9 refugees at Perspective's Centre. We drove 15 hours for a round trip to the border and back to Sighisoara. Almost 900 km !

We can see how confused these people are, with no hope for the future, for Ukraine...they don't know what to do next, where to go. Sadly, most refugees feel this way.

On Sunday 2 more refugees arrived at our Centre. We hosted 11 people and 4

already left to Bucharest to travel to other countries.

We have 2 families living at the Centre. One family consists of a mother, daughter, and grandmother who are planning to go to Montenegro. Friends will come and pick them up in a few days. The situation is even more complicated for the refugees as Ukrainian men are banned from leaving the country and women are forced to leave their husbands behind.

For the second family we need spiritual intervention. They are Russian citizens with a permanent residence in Ukraine and because of this they need a Visa to go into Germany. They are still not sure if they want to travel to Germany or Poland because they don't know anybody in these countries. They have two daughters and one of them has Down syndrome.

We called to different offices to find a solution, but nothing worked, we hope tomorrow when we call to the German embassy to have an answer.

This means that we have 7 people living for a few days at the Centre. To help them think about something else, we took them in a tour around the citadel of Sighisoara.

We served all meals during this days to them! It is beautiful how also friends from our community are becoming part of it!

Having a moment walking in Sighisoara citadel, just to help them to create a different experience.

**Like an organization, we decided to offer
accommodation and food for refugees who transit
Romania!**

**We are in touch with other organizations in our area
like Youth With A Mission, Baptist Network Romania,
Johanniter Germany, etc., and this is our way of
offering help to “I stand with Ukraine”!**

**Any suggestions or information you might have and
could help us in this process, please feel free to
share it with us!**

**All your prayers are priceless for Ukraine and for the
borders of Romania!**
