

Pray for UKRAINE

Dear friends,

We would like to thank you for supporting us in helping the Ukrainian people in our country. May God bless you and richly reward you everything you do for this so important ministry!

We received a lot of refugees, hundreds in transit but also we have now 90 on a longer term. Everybody who is coming has his own story on how they survived and it is unbelievable what we hear.

Yesterday we have got 15 people and tomorrow we will welcome other 13 on long term.

People like to talk and have their stories shared with us

Our first Ukrainian baby dedication in church. Abby, our daughter is so happy to hold her favorite baby, Jana in her arms.

Two days of kindergarten work perfectly, and the rooms for the other 3 days are ready to welcome the last details and soon also the children.

Please pray for this huge project!

Clothes, shoes, food, food trucks, surprises ... and so much more for the happy hearts and faces of our new friends.

Things in Romania are not very good. Prices are increasing every week sometimes every day. People are afraid that it can happen here as in Ukraine and watching the news that the things are worse in Ukraine every day, they are more scared.

Also, every day we are hearing from these refugees who are receiving news that their neighbors or relatives died and they are crying a lot.

Please pray for us that God will give us strength and power. Please pray for our security. Please pray for Ukraine.

Thank you and God bless you!

In His Service, Florin and Paula.
