

THURSDAY 1

I want to thank Jesus and all who supported this recent sacred trip to Ukraine. We visited an orphanage in Chernovitz where the children come from the war zone near Odessa. We also worked with the poor near Kharkov and 2 other villages. There is so much destruction and people are still living in damaged flats having nowhere else to go. They were happy to receive gifts and hear about the birth of Jesus Christ. David & Rodica, Romania

FRIDAY 2

Our urgent need is to purchase land for a "New Life Centre". Pray with us to see an answer to this prayer request before March when the price of land increases. Francis & Alison, South Asia

SATURDAY 3

"Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go." Joshua 1:9

We are moving forward in reaching out to young people and their families. Please pray for our Bible studies and for this month, our dental month. Zaldy & Ria Philippines

SUNDAY 4

We are conducting a family camp for four days. We want to experience the Lord Jesus' presence in our meetings. Ask for the anointing of the Holy Spirit on those who will speak and hearts to understand God's Word so that they leave the place with a new and fresh motivation and commitment to put in practice what they received. Ask for protection, provision and good health for everyone. Please uphold new believers in prayer. R, South Asia

MONDAY 5

We worked with a local church in Chernovitz which shared the gospel and fed the poor on a regular basis. Pray for the local churches and the people we met in Chernovitz and near Kharkov. David & Rodica, Romania

TUESDAY 6

We have been encouraged by responses in different churches in the UK. At the end of the month, we plan to fly to South Africa to join the OM ship Logos Hope for 6 weeks. Pray for our walk with the Lord and anointing in the work that he has called us to do. Gareth & Malou, UK

Hundreds of hungry, cold and needy people in Ukraine waiting to receive food bags and gifts from David and his team.

Wonderful believers from Chernovitz whom David and the team worked with in Kharkov

WEDNESDAY 7

These past two years have been quite challenging for ELION Media, mainly due to the lack of finance necessary for the advancement of the ministry. Pray for clear direction as we are not certain which way he is leading us. We haven't been able to rent a new venue since we closed our small studio 2 years ago. We still don't have a place for ELION Media. We want to faithfully obey his leading. Sasko & Ira, Serbia

THURSDAY 8

Please pray for the peace of Nigeria and Nasarawa state where the Fulani want to take over all the middle belt areas. Naphtali & Gladys, Nigeria

FEBRUARY 2024

FRIDAY 9

Our work among the unreached ethnic group 'M' has been an encouragement. Through sharing the gospel, we have reached more than 400 people. Praise God that 39 people accepted the Lord as their Saviour. Some people from the majority religion asked us to do some work among the children and we said we will pray about it. We still need 4 to 5 washrooms for the 'M' ethnic group – please pray. N & S, South Asia

SATURDAY 10

Let us pray for the trustees of AMEN: Chris Chatfield, Janet White, Simon Williams and Sharon Bass that they will gain wisdom from the Word in making decisions and that the Holy Spirit will give them discernment. They also need grace to minister faithfully even in hard times. May they be wise in the way they prioritise and allocate the resources that AMEN has been entrusted with.

SUNDAY 11

Pray with me in this changing scenario. I need people to support me financially so I will be able to continue to do what God is calling me to do. We need the construction of the village school building to resume and to have enough classrooms completed before the rainy season starts. Awon, South Asia

MONDAY 12

"Unless the Lord builds the house, those who build it labour in vain. Unless the Lord watches over the city, the watchman stays awake in vain".

Psalms 127:1-2 God has given us opportunities to share in the work of the Gospel among the poor in Cebu City. We are grateful to Him for two more church planting teams each of which is planting a new church in Cebu. In addition, we have 2 local churches partnering with us. Praise the Lord for giving us the opportunity to lead and pastor our missionaries. Winston & Janette, Philippines

TUESDAY 13

Give thanks to God that thousands of gospel tracts were distributed as adults and children heard the gospel. Pray that those who heard the good news will be saved and that funds will flow to meet our needs. May the Village Missionary Movement team be refreshed and renewed by the Word of God and in fellowship with one another that the name of the Lord Jesus Christ be magnified.

D & J, South Asia

N & S are praying to start a children's work among an unreached people group in Pakistan. It was requested by community leaders in the area.

WEDNESDAY 14

Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers. Galatians 6:10

Thank God for those who pray, give and volunteer in AMEN. May the fruit of the Holy Spirit fill them with love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control.

THURSDAY 15

"I planted the seed, Apollos watered it, but God has been making it grow." 1 Corinthians 3:6

Because of God's amazing grace and your prayers, we are encouraged to continue to devote our time and effort to the ministry of Jesus Mesija (Jesus the Messiah). Please pray with us that God will continue to lead us and bless the seed we daily sow in people's lives. Sometimes we see more immediate results and sometimes it takes time for people to decide to get in touch with us. Two months after we finished with the campaign about fighting drug addiction, we were contacted by a young man who lives in Germany asking us for help. Sasko & Ira, Serbia

FEBRUARY 2024

FRIDAY 16

Our nation needs your prayers. The majority religion, together with our rulers, has financed the building of a massive temple and has declared an annual national holiday of worship. Pagan flags have even been placed on the top of our churches. Ask the Lord Jesus Christ to open blind eyes, change hearts and minds so that they may know his love and salvation. We have been praying and fasting as a church and have been greatly blessed.

S & B, South Asia

SATURDAY 17

Praise God for the commitment and hard work of Grace & Light UK representatives. Ask for God's grace, strength and wisdom as they seek to raise funds and engage more people in the ministry.

Tassie, Nigeria

Sanjay preaching in a village in South Asia

FRIDAY 23

Ask the Lord Jesus who is merciful to open the hard hearts of those who live in the islands of Batanes. In the past, they have been taught for generations that only the priest is allowed to interpret the Bible. People often say "I was born a Catholic and I will die a Catholic". The lies and deception of the devil are deeply rooted in the culture and the community pressure on someone who follows Jesus can result in persecution.

Jerry & Gea, Philippines

AMEN & FRIENDS

SATURDAY 24

Please pray that the Lord will continue to provide the finances for: the feeding programmes in Cebu; the scholarship programme; church building projects; support of missionaries and the mercy fund. Winston & Janette, Philippines

SUNDAY 25

Sabtang is one of the northern most islands of the Philippines and is still waiting for their first evangelical fellowship to be planted. The inhabitants have many beliefs and traditions that involves offering their catch of fish or animals to spirits before they can take it home. Other superstitions abound during planting and harvest times. Ask for the fulfilment of Jesus promise... *"I will build my church, and the gates of hell shall not prevail against it."* Jerry & Gea, Philippines

MONDAY 26

Jannette's desire is to have a Christian impact on her training workshops and teaching in Christian groups and government agencies. Jannette and I need strength and good health. Our son Asher, who is a pilot, is still seeking the Lord for his vocation. Thank you for your partnership and love. Winston & Jannette, Philippines

TUESDAY 27

You may have heard of the terrible attacks that took place in Plateau State a month ago. Around 20 villages were attacked with at least 200 killed, while many thousands fled their homes which were in many cases burnt down. This is in an area about an hour's drive south of Jos. The situation is now quiet but the underlying problem persists and has not yet been addressed by the government. Fulani herders are using extreme violence to drive people out of their ancestral lands with a view to occupying them. The pattern is to repeat attacks until areas are abandoned - fully and long-term. Please pray for all those affected and provision for the acute needs they have. Colleagues have lost family members; the family of a mentee of mine is among the refugees. M & I, Nigeria

WEDNESDAY 28

Bible School Project. We have been involved in discipleship seminars where we teach the Word of God to communities. In December 2023, the Lord placed on my heart a desire to start proper Bible classes to equip the saints and mobilise people for missions. Our team is planning to start classes from March 2024. We need Bible teachers and at least 20 Bible students as well as monthly funding to support and to run this Bible school. N & S, South Asia
