2. Praise God for all friends who came together and helped us to make a multi-functional sports field at our Centre. This gives us more interaction with the kids and teens from the community.
3. We are very pleased for our team! They are hard workers sustaining and implementing the vision of the Perspective Danes organization.

WEDNESDAY 3

Pray for our ever-growing church in Punctul Central. About six years ago, we were given a very nice hall in the centre of town. Back then, it was not even half full but now, every Sunday, it is difficult to get everyone in. Please pray with us for a solution. Tijs & Jessica, Romania

TUESDAY 9

I am working to finalise the vision & mission for "WOMEN IN THE NATIONS". Lord willing, we can launch the ministry officially in the early part of 2024. Pray for wisdom. A, South Asia

WEDNESDAY 10

The local authorities undertook an exhaustive inspection of the children's home. This proved quite stressful but was also successful – nothing was found that failed to meet the standards of best practice. Bearing in mind the authorities are not always sympathetic to Christian initiatives and activities, this is a reason for thanksgiving! J. P., South Asia

THURSDAY 11

We are grateful for all the opportunities we had around the world last year in churches, fellowships, conferences and Bible schools etc. As we enter 2024, while we count it a great privilege to be involved in the lives of different individuals and their ministries, we are very aware of our own need for continuing physical and spiritual enabling. Brethren, I do not count myself to have apprehended; but one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead. Philippians 3:3
