

## Dedication of Extra room for training.

Thank you for your ongoing prayer and support. Saturday we dedicated extra room and shed we built at Ghataprabha. Because of ongoing and future Bible Training for the village pastors, we needed a room. After much prayer and God's provision we opened the center on Saturday. Now we can have Bible training and tailoring training simultaneously without any distractions.

We invited pastors and widows (pastor's wives) we had praise and worship and prayer time. Prayed for you all who sacrificially towards painting of whole building, compound, shed and extra room.

All glory to God.
