Over a hundred youth committed to serve the Lord Jesus Christ and preach the gospel to the Musha tribe. Let us return the glory back to God. Naphtali, Nigeria

AMEN & FRIENDS

Sunday 10

The young people in our after school club are very much on our hearts. Not only is each of them very dear to us but also each of them has specific needs. It is not practical to outline their individual needs but God knows who they are. Please pray now for each one of them: Flavius, Raluca, Maria, Izabela, Andrei, Maria-Cassandra, Darius, Sebi, Roxana, Sorin, Vasile, Paul, Bogdan, Cristi and Alex. Remember Alex especially. His attendance has been faltering of late and he has a difficult family background.

John & Rosanne, Romania

Monday 11

Dying to self has to be understood by those who follow Christ. Ask the Lord that our everyday walk will be transformed by the power of the Holy Spirit living in each of us. Tassie, Nigeria

Tuesday 12

Pastor Nanju works among the poor and wants to see a place where they can all worship. There are 3 house churches operating and 10 new believers in their fellowship. He has found some land he wants to purchase for this purpose. Please remember the believers and their spiritual growth.

F & A, South Asia

Wednesday 13

Please continue to pray for the healing of Tijs's hips. The pain continues to worsen and there are times when even walking is impossible. He is trying to hold on until May. If he has not received healing by then, he will have the operation and it will mean having two artificial hips. The strange thing is that three times already, the pain seriously diminished during prayer but increased again afterwards. The last few times the pain increased tremendously during prayer and decreased again afterwards. We need wisdom as a family as it is weighing heavily on us. However, we want to declare, "As for me and my household, we will serve the Lord"

Tijs & Jessica, Romania

Thursday 14

Over the two biggest Christian holidays, Christmas and Easter, people are more open to spiritual conversations. We use these times of the year to publish more Christian content with various messages in order to start a conversation with people. These are great opportunities for sharing the Gospel. Sasko & Ira, Serbia

I will be leading CWTP in our quarterly silent prayer retreat in Tagaytay, outside Manila. We want to hear the Lord speak. Winston & Jannette, Philippines

Saturday 16

Thank you for covering us in prayer by the blood of Jesus Christ. At the start of the year, the weather was foggy and travel was difficult. However, we managed 3 to 4 mission trips. God has kept us from harm. Sabahat is now in a stable condition after asthmatic attacks in the middle of winter. My wife and I often dream about the persecution we have experienced which has at times brought us fear. In our country, there are only about 3% Christians. Pray for courage to persevere and for provision. N & S, South Asia

Sunday 17

David & Jeba and the leadership team have a big responsibility on their shoulders to oversee the ministry, to fund raise for more than 700 missionaries and to bring them back to the base for a time of refreshing from the Word before they go back again to their assigned fields. S & E, South Asia

Monday 18

Four families have opened the door to the preaching of the Word. We want to see the Lord Jesus welcomed into their lives. These are the families we need to pray for: The Garibays, the Elicas, the Elcanos plus Harvey Quijalvo. Often the enemy snatches the Word by using relatives, neighbours or the community to cause them to grow cold. Jerry & Gea, Philippines

Wednesday 20

Before we can open the Pe Lunca Centre, final renovation needs to be done which will cost about €25,000. The work we are doing has to comply with the rules of fire safety. However, getting the right information on those requirements so we can work on them seems impossible. We and our contractor Marius need wisdom. Tijs & Jessica, Romania

Thursday 21

We have started a new campaign on FB entitled, "Jesus the Messiah" where we are offering free New Testaments as a gift to anyone who asks for them. In just one day, we had 31 requests! This campaign will last ten days and we would like to ask you to pray with us for God to work in each person that receives His Word to be saved. Sasko & Ira, Serbia

Friday 22

We have started a new sewing project and are looking for a God-fearing teacher to join us. We thank the Lord for making us his light to shine in the darkness.
