

ELION Media Newsletter

Dear brothers and sisters,

During February we had a very successful campaign of sending out New Testaments as a gift. We have received a large number of requests for a free copy of the New Testament.

Over 10 days of the campaign, we sent out 290 New Testaments. A few days after we send the New Testaments, we ask everyone again if they have received their copy which is an excellent opportunity to begin a spiritual conversation. We encourage every person to read God's Word by saying:

"We are glad to hear that you received the copy of the New Testament. We wish you God's blessing as you read it, because the Holy Scriptures are the only source of divine revelation and the way to know God the Creator and His will for our lives. As the Lord Jesus himself said: "Man does not live by bread alone, but by every word that proceeds from the mouth of God." Gospel according to Matthew 4:4 God expects us to feed on His Word daily, just as we feed our body with food. Without it, we cannot know the God we worship and believe in, and we will not know what His will is for us."

Pray with us for all the people who have received the New Testament that God will work in their lives and that His holy Word will bear fruit to the glory of His name.

The second campaign was designed to remind people of God's promises. Through verses from the Scriptures, we pointed out the seriousness of God's promises and the consequences of disobedience.

At this time, our database in the "Disciple Tools" program, which we use to record all contacts, has **9,000 contacts** with whom we have communicated since the beginning of the Jesus Messiah project. Please pray for all these people that God will work in their hearts. Also, pray for the space for ELION Media Ministry so that the ministry and its impact may grow and expand.

Thank you very much for your loving support and your prayers. **May this attached report bless your hearts as it has blessed ours.**
