

## AMEN & FRIENDS

**MONDAY 1** *And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work. 2 Corinthians 9:8*

Give thanks to God for funds given to AMEN. Some are one off gifts and some are committed to regular giving. This is a real answer to prayer which enables the charity to bless partners and friends of AMEN.

**TUESDAY 2** *Our Heavenly Father, thank you for choosing and appointing our AMEN trustees; Chris, Janet, Simon and Sharon. You see their hard work and commitment to AMEN. We ask you to draw them to yourself, your wisdom, your ways and your grace. Lead them in making the right decisions that are aligned with what you would like them to accomplish according to your will and purposes. In Jesus name, Amen.*

**WEDNESDAY 3** We have started the youth work among the young people from Romos and Vaidei. They are certainly not the most compliant youth when it comes to God and faith, so prayer is greatly appreciated both for them and for us. Youth work is something neither Jessica nor I have much experience in. Tijs & Jessica, Romania

**THURSDAY 4** As the season for Camp Hope approaches, we plan to host 6 camps this spring and summer for families with children with disabilities and malignant diseases. Despite the number of camps we plan, they fill up quickly and the need is much greater than we can accommodate. This year, we plan to host an additional camp for families from Macedonia. We praise God for the start of this ministry in Macedonia and pray for its expansion to Bosnia. This ministry at HUB Bible school is becoming a means of reaching out to so many families, more than we could have ever imagined. We need God's protection, strength, and wisdom. We also need many volunteers. Sladjan & Jaroslava, Serbia

**FRIDAY 5** Barbara and Tommy Glenn with their missions' pastor and his wife will be coming for the first time to help us in our ministry. Mia, Romania

**SATURDAY 6** Give glory and thanks to Jesus for the wonderful works of the Holy Spirit in salvation, prayer and healing to many during our trip to areas in Kharkiv, Ukraine. David & Rodica plus the team, Romania

**SUNDAY 7** Praise God for our flourishing Youth Club. The young people are able to enjoy the recreation facilities at the community centre before we come together for worship, organised discussion and teaching. In addition to local youngsters from Danes, we have young people from Rora (the Roma community that we are specially involved with) plus some Ukrainian refugee teenagers and youngsters from the church in Sighisoara where we worship. Please pray for us as we seek to help these youngsters to know and walk with Jesus. As we are currently without a Romanian female leader: We need a suitable young Christian woman to join us in this role. John & Rosanne, Romania.

## AMEN & FRIENDS

**MONDAY 8** Give glory to God. We had a very successful campaign of sending out New Testaments as a gift. We have received a large number of requests for a free copy of the New Testament. During the 10 days of the campaign, we sent out 290 of them. A few days after we sent them out, we asked everyone again if they had received their copy which is an excellent opportunity to begin a spiritual conversation. Sasko & Ira, Serbia

**TUESDAY 9** Sabahat has been suffering from asthmatic problems and I am going through a painful knee problem. We appreciate your prayers. Nasir, South Asia

**FRIDAY 12** Since our sister in Christ passed away from an illness that caused her a lot of suffering, her husband and her son stopped us from coming to their home for prayer meetings. There were about 20-30 of us regularly meeting. Pray with us for this family that they may come to know Christ and open their home again. S & B, South Asia

**MONDAY 15** Pray that the people in Taraba state will have clean drinking water. They mix aluminium sulphate with the brown water and wait for it to settle until the water is purified and should be ready for drinking. Alum is a non toxic liquid that is commonly used in water treatment to clarify drinking water. Naphtali often ministers in the area of Taraba with his team. Ask the help of the Holy Spirit that those who have welcomed Christ in their lives may abide in him. The team needs strength, wisdom, provision and good health. Naphtali & Gladys, Nigeria

David & Rodica, Romania

**FRIDAY 19** I (Tijs) am scheduled for surgery at Jan Yperman Hospital, Belgium next month where I will be given 2 artificial hips. I will only be able to return to Romania after 6 weeks. Missing Jessica and the children is more difficult for me than the thought of the surgery itself. Pray that the kids won't have it too hard without Daddy. Our God is more than able to heal! These are difficult times for us. With our ongoing projects we need more paper work to comply with the fire department and also funds to urgently finish the work in the centre.  
Tijs & Jessica, Romania

**SATURDAY 20** Praise God for giving us partners in the ministry. May the Lord bless them. Please join us in praying for more supporters, especially for the child sponsorship programme.
