# TESTIMONIES

During the month of April we have been extremely encouraged by the way God worked in the lives of other people through the *Isus Mesija* platform.

- WE WERE ABLE TO CLEARLY SHARE THE GOSPEL WITH SEVERAL PEOPLE DURING THIS CAMPAIGN.
- WE ENCOURAGED THOSE WHO DIDN'T KNOW THAT THEY CAN HAVE ASSURANCE OF ETERNAL LIFE.
- WE SHARED THE WAY TO SALVATION WITH THOSE WHO, FOR THE FIRST TIME, HEARD ABOUT ETERNAL LIFE.

## HERE ARE SOME ENCOURAGING TESTIMONIES:

*Ljiljana* was sharing with us where she finds meaning in life (her family, raising good children who now have families of their own...). Although she claimed to believe in God, she never read the Bible and as we continued talking with her, she was encouraged to start reading God's Word. She said, "Thank you so much for caring for me, I will slowly start learning this with you. It was a pleasure talking with you." After a while, we asked her whether she started reading the Bible and she said, as soon as I finish my chores and babysitting for grandchildren, I come home and read the Bible.

*Zorica* was unsure whether God forgave her a certain sin, although she said that she repented sincerely before God and the person she sinned against. We were able to share some verses where God assures us of forgiveness when we sincerely repent of them, to which she responded, "Thank you from the bottom of my heart for helping me and for adding peace and comfort to my soul. May God bless you and give you healthy and happy lives!" As we continued talking, she asked us for a New Testament which we sent her as a gift.

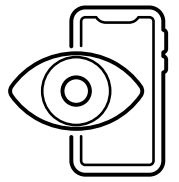

*Snežana* wanted to know how she can be certain that she is saved. After talking with her for a while, she said that she would like to have a Bible of her own, so we sent her a New Testament as a gift.

*Vinka*, Thank you for helping me understand the Bible and for your support. When I understand God's Word, life is much easier and happier.
