

VMM Youth Camp Report 2024

Greetings in Jesus name.

God has blessed the August 15th youth camp according to his word in Psalm 65:2, "O You who hear prayer, To You all flesh will come."

Praise God for:

More than 80,000 youth attended the camp. Many committed their life to Christ and his ministry.

From the beginning to the end the glory of God filled the camp site. Songs and short dramas touched the hearts of the participants. The word of God came mightily through the preachers.

With no rain or hot sunshine God gave us a very pleasant climate.

At the end of the meeting food was served to all the participants.

Pray:

Pray for all the participants that they may grow in Christ Jesus and bear fruit.

We still need 20 lakhs for the camp expenses to be paid. Pray that God may meet all the needs.

We are planning and praying to send a Bible as a gift to all the participants home.

Thank you for your prayers and support for this camp. May our Lord Jesus Christ bless you and grant all your hearts desires.
