

SEPTEMBER 2024

SUNDAY 1

In our recent travel to Kenya, Uganda and Rwanda, we have experienced sweet fellowship, heard the goals and visions of many and seen some of the victories and struggles of our African brothers and sisters and expatriate missionaries. We experienced God's anointing, protection and divine appointments. We are blessed and praise God for answering your prayers for us. Tomorrow, we fly to India and will be serving in the state of Tamil Nadu. Gareth and Malou, UK

MONDAY 2

Praise God for the old and new connections we made in the UK bringing awareness and prayer support to the plight of believers in the north. Pray for the south Asian believers in the West to share their resources so we can use them to share Jesus to those who do not know our Saviour. T & S, South Asia

TUESDAY 3

Kindly pray for the anointing of God's Holy Spirit on two speakers and five counsellors during the Baptist Youth Evangelist Camp in Shillong. I will be the only lady counsellor during this camp. Awon, South Asia

WEDNESDAY 4

"O You who hear prayer, to You all flesh will come."
Psalm 65:2

God has blessed the August 15th youth camp according to his word. Praise God that more than 80,000 youth attended the youth camp and many committed their lives to Jesus Christ and his ministry. From the beginning to the end, the glory of God filled the camp site. Songs and short dramas touched the hearts of the participants. The Word of God came mightily through the preachers. God gave us a very pleasant climate without rain or hot sunshine. At the end of the meeting, all the participants were given food. David & Jeba, India

THURSDAY 5

Pray for all the participants at the youth camp to grow in Christ Jesus and bear fruit. We still need to pay £18,000 more for the camp's expenses. Pray that God may meet all our needs in Village Missionary Movement. Santhosh & Eben, India

Naphtali, Gladys and their daughter Jochebed, Nigeria

FRIDAY 6

Last month I joined the prayer retreat in Tagaytay and at the end, I caught a flu virus plus some wrist pain which forced me to stay at home to rest. Jannette, my son Asher and my brother-in-law also caught the virus. We all had to help each other and go through the healing process. Waiting was hard to do. Praise God we all feel much better now except for Jannette who is coughing. Perhaps this time of waiting has been something that we needed as we struggle through other things. We continue to cling to all that is good in the sight of GOD. I praise the LORD for sustaining me and my family. This weekend, Jannette and I will join our team at Pulungbulu in Angeles, Pampanga, to help in the church-planting there. Winston & Jannette, Philippines

SATURDAY 7

Ask the Lord to bless the visit of Francis to the UK. He will be fundraising for the new Tender Heart centre in south Asia. Pray for new contacts and for individuals and churches to give with open and generous hearts that will transform lives for the glory of God.

SUNDAY 8

Pray for Stephen as he seeks to help El Shaddai children's home raise funds to have better quality solar panels as a source of electricity. This will also help to cover the facility for the aged people in the compound. South Asia

AMEN & FRIENDS

MONDAY 9

The smog from Taal volcano gave us sore throats, itchy eyes and difficulty in breathing. Last month, the devastating typhoon Carina ruined homes in most areas of Metro Manila. These calamities challenge us to extend help and share the gospel. The smile and gratitude of people who received relief goods was overwhelming. They told us they experienced God through our lives and ministry. "We are to do good, to be rich in good works, to be generous and ready to share" 1 Timothy 6:18
Zaldy & Ria, South Asia

TUESDAY 10

Pray for the Uralis tribals who live in densely forested areas. They have no medical access and are also impoverished. Five of us travelled 110 miles to visit 8 of these families and supplied them with some much-needed household materials.
KM Matthew, South Asia

WEDNESDAY 11

Give thanks to the Lord for an outreach mission around Sighisoara. It wasn't just a mission to give aid and food, which we did, but to share the gospel, the good news of Jesus Christ. Remember individuals we met who had many physical and spiritual needs. Many people, after counselling and prayer, went home changed. It was quite an exhausting week for the team but we were uplifted and blessed to see God move.
Steve Potts, Romania

THURSDAY 12

We are in the process of building a community centre in Opovo near Belgrade and are preparing to open it next year. Please ask the Lord Jesus for wisdom and safety. Sladjan & Jaroslava, Serbia

FRIDAY 13

Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Consider him who endured such opposition from sinners, so that you will not grow weary and lose heart. Hebrews 12:1-3.

Remember our supporters - those who pray, give and volunteer in AMEN. May they experience encouragement in their service as well as in the many local churches they are part of. In common with other groups, we need to see more young people willing and committed to serving in the charity sector.

Naphtali & Gladys, Nigeria

SEPTEMBER 2024

MONDAY 16

Although it's summer and people are on vacation (which means less activity on the 'Mesija' page), we still have plenty of new opportunities to share the Gospel such as during the recent campaign. We continue to follow up people who have received Bibles from us. Thank you for praying for us as we continue to share the Gospel with people who are searching online for God. Your prayers mean a lot to us. Sasko & Ira, Serbia

TUESDAY 17

Our family had been facing constant health challenges. Please continue to pray for good health and strength. Jerry, Gea & Khesed

WEDNESDAY 18

Ask for the Lord's monthly provision for our rental payment for our apartment in Abuja and our other needs. Pray also for good health and protection wherever we are. Naphtali & Gladys, Nigeria

THURSDAY 19

We thank the Lord for opportunities to minister to ladies in WIN (Women in the Nations). Our monthly prayer and fellowship has been a source of encouragement during different crises among our members such as death in the family, divorce and prayer support for children dealing with depression. Pray also with us for 2 sisters whose husbands come from different tribes. The younger sister is now divorced and is suffering from health issues. Due to her diabetes, she is almost blind and her only daughter was taken by her husband. The elder sister is a widow and an alcoholic. Please pray that God will use us to help them come to know God's mercy, salvation and deliverance from all bondages of sins and sickness. Awon, South Asia

FRIDAY 20

God has given me 8 men to mentor and disciple for leadership and teaching: Fedel, Jeremy, Elvinia, Jesly, Eddie, Roberto, Dexter, Jordan and John. From the examples of Jesus leading the 12 and the apostle Paul discipling young Timothy and other men, we chose these men to be trained, mentored, and also to disciple others. These men professed faith in Christ and have dedicated their lives to the Lord and His service. We have a weekly mentoring class where I check their personal and daily walk with Christ, teach them from the Word of God and give them assignments and tasks from time to time. I take them to visitations and Bible studies so they can also see how I do the ministry. Thank the Lord for these men and pray that they may be faithful disciples of Jesus. Jerry & Gea, Philippines

Mission Field House missionaries and believers together in a rural district of Nigeria.

SATURDAY 21

AMEN & FRIENDS

TUESDAY 24

'Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand'.

Isaiah 41:10

In the northern regional states of our nation, hundreds of house churches and rented rooms have closed. In one state, the law now allows any person to register a police report regarding Christian conversions where previously, the presence of the victim, parents and siblings was required. Fathers are in prison and leaders can no longer shepherd their flock while some need urgent medical attention. Pray that the enemy will not crush the spirit of the oppressed but that they may know that the Lord is with them in the struggle and that they have nothing to fear. T & S, South Asia

WEDNESDAY 25

We just finished with the last camp for this season! We praise God for opening the door to serve and proclaim the gospel to families from Serbia and Macedonia. We held eight camps. 'Camp Hope' served about 100 families. It was amazing to see His grace and His power at work! We saw this camp become a place of great joy, despite the difficulties and sufferings of families with children with disabilities. Praise God with us. Sladjan & Jaroslava, Serbia

THURSDAY 26

Pray that we at SIKATT, will see the hand of God providing for the construction of the community library in the slums of Tondo, Smokey Mountain. Zaldy & Ria, Philippines

FRIDAY 27

Prayer points from Zaldy & Ria, Philippines

1. Protection from disasters such as typhoons, floods and the possible Taal volcano eruption.
2. Complete healing of Ana, a sister in the Lord, after major surgery.

SATURDAY 28

We have made significant progress with the training centre project of Grace & Light, a building with 28 rooms. Praise the Lord with us for his divine provision and protection for the various workers right from inception of the work. Ask the Lord to help us finish well. Tassie, Nigeria

SUNDAY 29

Praise the Lord with us for the successful share out of our self-help group known as Voluntary Savings and Accountability Group (VSAG). The members were happy with the life sharing aspect of the programme besides the financial benefits. Pray that groups in different churches will save and the scheme will be under God's protection. Tassie, Nigeria
