

Prayer Request from ELION Media, Serbia. September 2024

Dear brothers and sisters,

We are thrilled to share some wonderful news with you. Several months ago, we began developing a new Christian online radio station in Serbia called Sinai Radio. In partnership with two other organizations, we are working diligently to launch the broadcasting of an experimental program.

While we are making progress, there are still many challenges ahead. We are gathering audio material and music, but we are especially in need of content in the Serbian language. For this reason, we urgently need a space in Belgrade to begin recording radio programs as well as other audio and video materials. Additionally, we plan to organize various trainings for our future collaborators.

Please join us in praying that God will guide and bless this project, opening doors for us to share His Word as soon as possible. Your prayers are invaluable as we work together to spread the Gospel to people around us.
