TESTIMONIES

HERE ARE SOME ENCOURAGING TESTIMONIES:

Željko – We started communicating with Željko, Professor of Physics at the University in Niš, this summer. After several message exchanges, we realized that God was working marvelously in his heart. He started reading the Bible on his own after going through a heavy depression during Covid and God was revealing Himself to Him in powerful ways, allowing him to understand the truth of the Gospel without anyone ever sharing it with him. We sensed that it was time for a face-to-face meeting.

On the 10th of September Željko had a first off-line meeting with a dear godly sister from Niš, who spent several hours with him. They had really deep conversations and agreed to continue meeting. This week, she met Željko together with her husband and they invited him to their church service tomorrow, Friday 4th of October, which he agreed to with great enthusiasm.

Please pray for Željko and his encounter with the believers from his city of Niš, pray for God to continue working in his life and for believers he meets to be welcoming and be a blessing to him in his walk with the Lord.

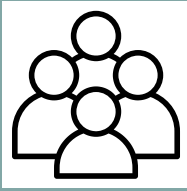

Ljubica – wrote to us saying that she is too busy to read God's Word, but after talking with her for awhile and explaining how important it is to know God and His Word, she said that from now on she will make sure that she reads regularly. Please pray for Ljubica to be hungry and thirsty for God's Word and not to allow anything else to distract her from growing closer to the Lord, so that she may come to know Him as her Savior and Lord.

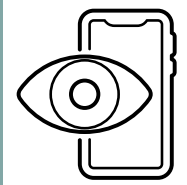

Marta – wrote to us from a retirement home, saying how she cannot hold the Bible in her hands, so when we sent her the link to listen to the Word of God, she was very happy. Even before we ended our conversation she said, "I am listening already!" Please pray for Marta that God will speak to her heart as she listens to His Word.
