

December 2024 Update from ELION Media

Dear brothers and sisters,

As we approach the end of this year, we are grateful to God for His grace throughout the entire past year. We also want to thank you for being with us, praying for us, and supporting ELION Media Ministry.

This has been a year full of blessings, as well as challenges. Unfortunately, the Meta Business Account for our “Isus Mesija” Facebook page was hacked on December 1st, and we have not yet been able to recover it. This is why we are unable to provide a detailed report for November and December. Please pray for us so that this account can be restored.

Throughout the year, we shared the Gospel online via Messenger more than 2,000 times. We also sent out 280 New Testaments or full Bibles in printed editions. Please pray with us that God blesses the seeds we have sown and that everyone who has heard the Gospel or received a Bible will surrender their life to God.

Pray for us that God will guide us in the coming year as we continue to share the Gospel with various people, both online and offline. Also, pray with us that this will be the year when ELION Media will get its studio and our family a permanent home to live in.

We have attached a report for the past year up to November. May this attached report bless your hearts as it has blessed ours.

With love and gratitude,
Saško and Ira
