

FEBRUARY 2025

SATURDAY 1

CWTP will be turning over two planted churches to two church partners in Cebu. After two years of dedicated work by our missionaries, we are now ready to let the church partners handle the churches and we, for our part, will be looking for another slum where we can plant a church. Since a couple will be on leave, there will be one team only. We will end up with 5 missionaries by May when we start the next church planting work. Please pray that the LORD will provide for the financial needs of these missionaries.

Winston & Jannette, Philippines

SUNDAY 2

We are planning to organise a one-day meeting with 50 or more youths expected to participate. Ask for the success of this gathering and for us to see the hand of God in providing all that we need to make this happen. S & B, South Asia

MONDAY 3

We are in the final stages of the land purchase for the Tender Heart centre. There is still a need for funds to build on the land. F, South Asia

TUESDAY 4

European School of Reconciliation workshop will be held at PERSPECTIVE Danes in Sighisoara, Mures County from the 4th to the 14th of this month. Christians living and working in divided communities are invited to join. Escalating violence and conflicts, the effects of immigration, and symptoms of unhealed historical wounds are what many experience. These serve as evidence of the need for healing and reconciliation in families, churches, and communities. This workshop will give teaching on how to help hurting communities be healed through taking part in the Healing Hearts Transforming Nations (HHTN) workshop, followed by a training course that will equip attendees to run the workshop in their area of ministry. Liviu & Elena, Romania

WEDNESDAY 5

Until the 8th of this month, the International World book fair is happening. We are the only Christian book stall for the thousand who visit. Pray the Lord will use us as we share Jesus with those who have never heard what He has done for them. May we delight in his Word and be willing and bold to do anything He asks of us. T & S, South Asia

Pe Lunca team L to R - Dinah, Tijs, Ovidiu (teacher), Jessica, Simona (teacher), Anuta (social worker) - remember them in your prayers.

THURSDAY 6

Ask the Lord Jesus, the Giver of life, to give me Jerry, Gea my wife and our daughter Khesed, strength and good health. Gea is pregnant and is on her 1st trimester. Ask the Lord that this time, our baby, our precious gift, will be protected from miscarriage and will be born and live to bring glory to God. Jerry & Gea, Philippines

FRIDAY 7

After 5 deaths in our family last year, we seem to be grieving endlessly. These challenges, together with me still working on the requirements for ordination as a minister, are hard. Yet, in God's mercy and love, we are uniting and growing in faith together as a family. God is good! Our village is still in a state of unrest which is bringing daily disruption to our lives. Pray for travelling mercies. A, South Asia

FEBRUARY 2025

SATURDAY 8

When he had finished speaking, he said to Simon, *"Push out now into deep water and let down your nets for a catch."* Simon replied, *"Master! We've worked all night and never caught a thing, but if you say so, I'll let the nets down"* Luke 5:4-5. Thank God for those who are involved in AMEN, those who pray, give and go which includes you! May God show you what he wants you to do in the coming days and may all of us hear the still small voice of the Master telling us where and when to let down our nets.

SUNDAY 9

As we face 2025, we are excited on our journey in faith with the ministry of SIKATT. Although faced with challenges on our activities and projects that did not push through in 2024 due to lack of funding, we are persevering. Join us in praying to see it happen in God's perfect time - His providence. There were times of serious health issues in the past year and we felt weak but God reminds us of his promise in Philippians 4:4-7 *"Rejoice in the Lord always. I will say it again: Rejoice! Let your gentleness be evident to all. The Lord is near. Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."*

Zaldy & Ria, Philippines

MONDAY 10

We have just returned from 6 weeks of ministry onboard MV Logos Hope in Trinidad where we had some special appointments with individual crew members from different nations, listening to them, praying with them and giving them hospitality, all of which was greatly appreciated and mutually enjoyed. This month, while speaking in different parts of the UK each Sunday, we will also be sorting out, clearing up and attending to matters regarding the house of Margaret (Gareth's mum) in Dorset which is up for sale. We also need wisdom as we continue planning our itinerary for 2025.

Gareth & Malou, UK

TUESDAY 11

We convey our love and gratitude to all in AMEN. Pray for us that God will give wisdom on how to continue with ELION Media Ministry. We need a studio space. Please continue to pray for us as a family - we would like to move into our own home which we have been praying for for years.

Sasko & Ira, Serbia

Dinah from the UK, serving in Romania with Pe Lunca

WEDNESDAY 12

We need understanding regarding how to walk in the prophesies that were shared with us as we consider how and what was said can evolve in our lives. Please continue to pray for Rosanne's health. She had some physiotherapy a few weeks ago which brought some improvement to her back, but there has been some deterioration in recent weeks. John & Rosanne, Romania

THURSDAY 13

God delivered me and another missionary from the hands of robbers. Pray that we will diligently seek and walk with God. Naphtali & Gladys, Nigeria

FRIDAY 14

Thank God for the success of the members' workshop conducted on 17th January and the sharing among the participants from different churches. Ask the Lord to bless their efforts back in their churches. Pray also against the wild spirit of sexual abuse on this day which marks the Valentine celebration. Tassie, Nigeria

FEBRUARY 2025

SATURDAY 15

We humbly ask for continued intercession in the following areas: Family Health & Strength: pray for good health, protection, and wisdom as we navigate daily responsibilities. Ministry Growth: pray God will continue to open hearts and doors for the gospel to be shared effectively.

Nasir & Sabahat and our sons: Joshua, Jerome and Jonathan, South Asia

SUNDAY 16

The past year has been far from easy, but through every trial, we have experienced God's incredible strength and faithfulness. Joni Eareckson Tada says it so beautifully: *"The weaker I am, the harder I must lean on God's grace. The harder I lean on Him, the stronger I discover Him to be."* We need His help to persevere in the ministry we are entrusted with, wisdom to discern His will in every decision, and strength to care for our family well while serving faithfully. Ask also for the salvation of my (Sladjan) parents and for provision.

Sladjan & Jaroslava, Serbia

MONDAY 17

From today until Feb 21, we will be running a discipleship camp which will involve counselling women and children. Pray also for the supply of our every need as we look to our Great Provider.
R, South Asia

TUESDAY 18

When all kinds of trials and temptations crowd into your lives my brothers and sisters, don't resent them as intruders, but welcome them as friends! Realise that they come to test your faith and to produce in you the quality of endurance. James 1:2-3. At Casa Vietii, we had some changes due to ill health. Our colleague Geta is very ill with cancer and is undergoing medical examinations. When the test results have been released, surgery will take place. Ask the Lord to help Geta to persevere in this trial and that her faith in God, though tested, will be rewarded by steadfastness. Pray for the medical staff to give her the best treatment with compassion and love. Mia, Romania

WEDNESDAY 19

I write this with weariness in my heart. 2024 finished with hard work and exhilaration in ministry, but not without its sorrows and pains. Nevertheless, I am filled with thanksgiving to God for all the benefits and lessons that came with the challenges. The church building we have erected at Pulungbulu is now gone. It was demolished when not one of our team was present. No prior notice was given to us. Another disappointment is with regards to team dynamics in another area. Tension among workers is caused by 2 team members. We need wisdom from God. Winston & Jannette, Philippines

THURSDAY 20

A special programme in two of our sewing schools has 48 women undergoing training. Pray they may commit their lives to Christ. R, South Asia

FRIDAY 21

Life in Hyderabad was great. I was working as a cinematographer but life took an unexpected turn when a motorcycle accident brought me back home. During this challenging season, I experienced something extraordinary - a clear call from God to join Logos Hope ship. How or when, I had no idea! But I prayed and God answered, I could hardly believe it when I joined in Sierra Leone. Pray I will align with God's will over my life and that I will see 40% of my needed support coming in. Ricky R, India

AMEN & FRIENDS

SATURDAY 22

400 million people are expected to come for the Kumbh Mela and take a 'holy' dip in the River Ganges for salvation. It is celebrated every 12 years and is the largest gathering of humans on earth being visible from Space. Pray for those seeking to present the gospel that hearts would be open to Jesus so they understand that their sins have already been paid for - may that truth set them free. T & S, South Asia

SUNDAY 23

We thank God for the mighty work of the Holy Spirit. We made many new contacts through our Good News club and have conducted baptisms. Remember us in our various village programmes: Sunday schools, evangelism training plus preaching at pastors' and women's meetings. R & P, South Asia

MONDAY 24

I have a need that is quite challenging at the moment. My rent has been increased by 100% which was too much for me to continue paying. My rental contract will end this month so, I went and bought a small piece of land in a nearby village and started building. In this area, there is no power yet, however, the immediate and urgent need I have is to get the house building done and I am short of funds. Our vision for this place is to see it used in the future for gathering people for fellowship and to have a school. Please stand with me in prayer. Naphtali & Gladys, Nigeria

TUESDAY 25

We want to start with thanks for a very specific answer to a prayer issue we raised last time. We were facing a challenge transporting the Rora kids to school because the bus company that provided the transport ceased trading and alternative providers were unaffordable for us. Thanks to the help of supporters, we now employ Stelian to drive the kids. He is also able to assist in other practical tasks around the Community Centre. John & Rosanne, Romania

WEDNESDAY 26

While Geta is on leave from Casa Vietii, Lidia Stoica, our board member, is standing in place to help out with clients. We had worked together in ministry for many years in villages doing ladies Bible studies and now we are back together at Casa Vietii! We started cleaning the centre to make some changes on the second floor. We have boxes to sort out and need to make packages for babies. Mia, Romania

Prayer Update

FEBRUARY 2025

Children and youth programmes are also held in Pe Lunca community centre.

THURSDAY 27

Mission to Sabtang Island. We are mentoring the few believers in the island so as to form a strong fellowship where an evangelical church is yet to be planted. I, and some believers in Uyugan church, take a boat 4 times a month to meet with 4 small groups of believers and disciple them. There were 8 when we started - now we have a total of 18! Give thanks to God for all that has been done and will be done in 2025. Since Gea and I also pastor the church in Uyugan and are hands on in many activities, we need to see a godly man take up the work in the island. We need someone who is willing to live in Sabtang with his family and oversee the mentoring. Ask the Lord of the Harvest to send workers into this mission field with all that is needed. Jerry & Gea, Philippines

FRIDAY 28

We were able to meet the children in El Shadai sponsored by ourselves and by others. However, half of the children are still without sponsorship. Here are descriptions of just two of the children for whom sponsors are sought: Archana is a lovely girl but her parents are separated and unable to look after her. She is nine years old and in the 4th standard at school and is happily enjoying her childhood. Vishwa is a happy young boy who was abandoned by his parents when he was two years old. Now aged 7, he is in the 2nd standard at school and is full of fun and enjoys playing with his friends. Stephen & Anne, UK
