TESTIMONIES

HERE ARE SOME ENCOURAGING TESTIMONIES:

Sandra and Ljuba got in touch with us in January, sharing how they used to be addicts, but then met the Lord Jesus at a rehab center and have been following Him ever since. We were able to encouraged them to continue walking with the Lord and Ljuba had more questions on salvation (whether he could lose it or not), so we still communicate on a daily basis.

Danica wrote to us saying that she believes in God, but cannot read because she has eye problems. We sent her the link to the audio New Testament recorded by ELION Media and are praying that she will now be able to listen to God's Word and continue growing closer to Him.

Vera told us that she believes in God, but is not reading His Word. We encouraged her to get to know the God of the Bible who revealed Himself through His Word to us and offered to send her a New Testament as a gift. She gladly accepted it and the New Testament is on its way to her now. Please pray for Vera that God will reveal Himself to her and that she will come to know Him as her personal Savior and Lord. Her name actually means Faith.
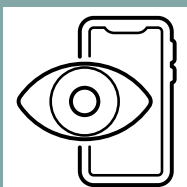

Ana told us that she believes in God, but has no time to read the Bible. We asked her whether she thinks that there is anything more important than hearing what our Creator and God wants to say to us and after a while, she made a decision to start reading the Bible every day, listening to God and His Word. Please pray for Ana, to stay true to her decision and be open to hear what God is saying to her.
