ENCOURAGING MESSAGES.**

TESTIMONIES

HERE ARE SOME ENCOURAGING TESTIMONIES:

Ana was convinced that God had good plans for her, but she didn't know what they were. She believed in Him but wasn't reading His Word. As we talked, we shared with her that God reveals His plans through the Scriptures, but she would need to seek them in His Word. She thanked us for helping her see this and decided to start reading the Bible daily. Please pray that as Ana spends time in Scripture, she will come to understand God's purpose for her life.

Biljana wasn't sure whether God had good plans for her life. She believed in Him but rarely spent time in His Word. We encouraged her to start reading the Bible regularly and to listen for His voice as she read. After our conversation, she made a decision to return to God's Word. Please pray that God will open her heart and lead her into the truth that sets her free.

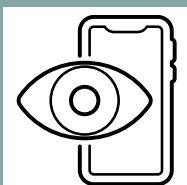

Saša is unable to leave his home or attend church due to his physical condition. As we spoke about God, he shared that he believes in Him but doesn't own a Bible. We offered to send him a New Testament as a gift, and he gladly accepted. Now, with God's Word in his hands, we pray that the Lord will reveal Himself to him, drawing him to repentance and salvation in Jesus. Please pray for Saša.
