SUNDAY 2

Remember our AMEN trustees who need the Lord's wisdom in all they do for the charity: Janet White, Simon Williams and Chris & Sharon Chatfield who are under a lot of pressure at the moment. Sharon has some ongoing health issues for which we pray for complete healing. Pray for God's peace on them both at this time, thank you.

MONDAY 3

Thank you for praying for us. God is merciful and answers prayer in our Lord Jesus Christ. The house we are building is now roofed, the windows and the main doors are fixed. More work has to be done on the ceiling, the inside doors and other fittings. Someone has paid to have us extend our rent for another month before we move in. We have seen the Lord's provision. Continue to join us in prayer that we may see all we need provided regarding this house. This place is outside the city and there is no electricity and water yet. Naphtali & Gladys, Nigeria

By the grace of God all our missionaries are doing well. Thank you for your prayers and support. To reach new villages with the gospel, our Lord has given us a vision to raise 1000 new missionaries this year. For this, we need a dormitory which could accommodate 200 training missionaries. New missionaries from different states will come in batches and each will stay for a period of training. The estimated cost is 35 lakhs rupees but, as our missionaries will also be involved in building the structure, we hope to finish it with 25 lakhs rupees = £22,697 budget. David & Jeba, India

SATURDAY 8

After a month and a half of our 'Facebook Jesus Messiah Business Account' being blocked, we finally regained access. Prayer Update

MARCH 2025

Local evangelism with hotdogs and drinks for the Roma gypsies in Romania with a visiting team working with David & Rodica.

MONDAY 31

We are in Canada at the birth of our first grandchild (Ed. we have just heard that baby Elijah has arrived and mother and son are doing well). We have sent 20,000 books to the north where there are still opportunities for distribution and witnessing. We are trying to stay strong and unafraid of what the opposition might say or do. Shishyashram in the north is open to visitors who have a burden to pray for this area and are willing to go for prayer journeys to this state. We're hoping that there will be more prayer in this region as opposition increases. T & S, South Asia
