

MAY 2025

THURSDAY 1

We are having our Vacation Bible School from the April 28-May 4. We hope to reach around 150 children through skits, dance, Bible stories, missionary tales and memory verses. Our children are excited; we plan to give lunch to everyone who attends. Joseph & Hephzibah, India

FRIDAY 2

We were fully focussed on physical and spiritual preparations for yesterday's Youth Fasting Camp with around 20,000 expected. The goal is to raise 'Daniels' and 'Esthers' who will make an impact for the kingdom of God. Our missionaries in VMM are working daily, mobilising the youth in different states. Ask the Lord for a continuous flow of generous offerings from his people to be over and above what we need. David & Jeba, South Asia

SATURDAY 3

We will have a few meetings in the UK this month including a May Bank holiday youth camp, a friend's memorial service in Oswestry, Sunday meetings in North London, Sussex, Dorset and a weekend in Serbia, speaking at a missions event and in a church in Belgrade. We thank God for open doors & for your prayers. Gareth & Malou, UK

The first step in planting a church with Companion with the Poor (CWTP), is for the missionaries and church partners to do a community survey prior to making strategic plans. Philippines

WEDNESDAY 7

Although we had been doing ministry in 'B' state, about 5 hours away from where we reside, all the locals have fled because of atrocities and violence committed against them. But, we thank God that the people are coming back and are being ministered to. We are now meeting in a makeshift structure as the school we built was destroyed by the government after they discovered that the people who were causing so much trouble had made it their operations base. AMEN contributed towards the building of this school for us and it breaks our hearts. We have a missionary based here now and we regularly come to encourage and help him. N & G, Nigeria

THURSDAY 8

Warm greetings from Pakistan! We are planning a pastors' and leaders' conference here in our area. We want to see it as a time of spiritual refreshment, learning and growing together in deepening understanding and also inspiring and mobilising the attendees for mission work. These opportunities seldom come to us. Join us in praying that we may see and testify that the Lord is our great provider for his mission and the work he has entrusted to us. Preparations include planning, venue, food, transport, logistics etc. Ask the Lord to move people locally and abroad to be generous givers of their time, money and effort, stirred by the Lord of the Harvest to help gather in more souls.
N & S, South Asia

FRIDAY 9

I will be serving the country as part of the Electoral Board in Tondo school on May 12 which is Philippines election day. Please pray for wisdom for all Filipinos to choose to vote wisely. Teachers serving during the election need the Lord's protection. I trust God for His guidance.

SATURDAY 10

Pray people will join us and sponsor us for our 10 mile fundraising walk in West London on the Saturday May 24. This year we are raising funds to kit out the guest bedrooms in our Jos headquarters training centre. Our new training centre is almost complete. The building is watertight and now we are beginning to fit out the kitchen, dining room, lounge and bedrooms so we can begin running events in house and accommodating guests and speakers. We have accommodation for 54 people sharing twin bedrooms, each with an en suite bathroom. Money raised during our walk will fund beds, mattresses, pillows, sheets, duvets, chairs and desks, mirrors, showers, basins, toilets and towels – all that our overnight guests will need! Jo Ann, UK

SUNDAY 18

Give glory to our faithful God. We have 1200 missionaries doing field work in different areas. They come back to the base once a month to be refreshed in prayer, teaching and fellowship with others. With the growing number of missionaries, the need for accommodation, food, transport and support is also increasing. Some of the suppliers for our food, literature and other needs have not yet been paid yet they continue to manifest an attitude of patience and a willingness to wait. 'Without faith it is impossible to please God'.
