# TESTIMONIES

## HERE ARE SOME ENCOURAGING TESTIMONIES:

**Goran** – During our campaign of giving to people Bibles and New Testaments as a gift, Goran was very grateful saying that he is so glad that there is someone who is making it possible for people to read God's Word. Please pray for Goran that he will now read the Bible he received and come to know God as His loving Father and Savior.

**Katarina** – We had a long conversation with Katarina who claims to believe in God, but is not sure whether He is aware of what is happening to her. She has been ill for a while now and the doctors haven't been able to help her, so she started believing that God doesn't know her sufferings and her needs, because He hasn't answered her prayers for healing. We are still in communication with her, but please pray for Katarina with us that she will continue reading God's Word and will truly understand who He is and experience His love and care in a powerful way.

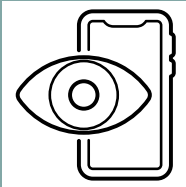

**Nataša** – We are having a very hard conversation with Natasha, who has had a very difficult life, with much physical abuse from her husband and problems at work. Now she says that she is homeless because she is running away from her husband. We are trying to point her to God and have sent her the Bible, encouraging her to start reading God's Word and getting to know Him and His plans for her life. Please pray with us for Natasha, that God will draw her closer to Him so that she will be willing to surrender fully to His will and His leading.
