TESTIMONIES

HERE ARE SOME ENCOURAGING TESTIMONIES:

Katarina – has been ill for a long time now and although she says she is a believer, she is not reading God's Word. We encouraged her to start reading and getting to know her Creator and sent her a link to the audio Bible we recorded. She started listening to it and came back to us saying that she was encouraged by the woman who was bleeding for 12 years and then came to Jesus and was healed. After that she asked us to send her the next book of the audio Bible because she wanted to listen some more. Please pray for Katarina that God's Word will fall on good soil as she listens to it and bear much fruit in her life.

Natasha – is going through a time of deep depression and feels lost and sad all the time. We started a conversation pointing her to Jesus. We subtitled a video by Joni Eareckson Tada, where she spoke on her depression and how she finds a way out of it and then sent it to Natasha. We also sent her a New Testament, because she was reading some prayers of the saints, but didn't have the Bible and we continue talking with her. Please pray for Natasha, that God will intervene in her life and bring her out of the pit she is in and set her free as He draws her to Himself.
