MONDAY 1 Today is Nigeria's 65th independence anniversary; pray for the President, national lawmakers, governors, houses of assembly, local government chairmen and counsellors to be committed to the task of building a better Nigeria where true democracy is observed. Tassie, Nigeria

TUESDAY 2 Praise points from F & A in South Asia:
1. For the 4 successful tailoring graduations we had in the month of August
2. We at Tender Heart are able to start a 7th tailoring centre in Margao
3. We are getting good responses regarding the gospel ministry from our pastors in the villages

WEDNESDAY 3 Our registered charity in 2020 was one of the cancelled and banned NGOs and repeated applications were denied. Recently we learned that registration has to be done in one of the big cities at an increased cost with a 6-8 months processing time. Obtaining a local address means moving into the city which has consequences on the education of my children. Please stand with us in prayer; we need wisdom, guidance and funds for this purpose. N & S, South Asia

THURSDAY 4 Friends and supporters from USA, Barbara Glenn and her husband Tommy, will be with us at Casa Vietti from September 4-15. We will hold a ladies' meeting and look forward to having a truly blessed time. Mia, Romania

FRIDAY 5 Our discipleship group has grown to 112 women who regularly meet and pray. However, we do not have a big enough place for all of them – we only have space for 40. Pray that God may provide a big place of our own. We will be conducting a 4-day camp for 40 of them costing £50 each for a total of 4 days which still needs funding. Please remember a mother in this group with her 3 children and her drunkard husband who live in the slums. Their roof has been blown away but repairing it will cost £1000. They are unable to sleep due to snakes entering. R, South Asia

Please join with us in prayer. Jerry & Gea, Philippines

SUNDAY 7 I have a few preaching/teaching opportunities coming up: A village school on 'Teacher's Day'; a seminar at the village church; a Bible study at the Women's Triennial Conference of the Southern Tangkhul Naga Baptist Association. A, South Asia

PRAYER UPDATE

September 2025

MONDAY 8 Last month, devastating strong typhoons created huge floods in Metro Manila putting us into a state of calamity. Sadly, the fragile dwellings of the youths we minister to who live near the creek were badly damaged. With limited resources, moving to another place is not an option. These youths were tested but they stood steadfast in their faith in Christ. We distributed food packs to help. Pray with us that the government will be serious about implementing a flood control system. Zaldy & Ria, Philippines

TUESDAY 9 Pray for the 30th anniversary celebration of AMEN. There are a lot of preparations that need to be done ahead of time for those who are involved in the programme, the catering and the venue. The trustees (Chris & Sharon, Janet and Simon) and other AMEN friends are all voluntarily giving their time, effort and resources for the charity. Pray for those partners who are still working on their required documents and funds for travel to UK like Naphtali from Nigeria but above all, for God to be glorified and every one present to be greatly encouraged.

WEDNESDAY 10 We are in urgent need of a prayer hall. House meetings will soon be banned. However, those gathering in a hall can continue their fellowship. S & B, South Asia

THURSDAY 11 We will be conducting a pastors' and wives' retreat from September 11-13. We are expecting about 100 people. Mia, Romania

FRIDAY 12 Thank God for Maharaja, who attended our tuition classes. Though partially blind, he has completed his schooling and is soon to join an arts' college. We still support him as his parents are both blind. People are facing various difficulties. One of our sewing student's dwellings was razed to the ground due to a gas cylinder explosion taking the lives of her son and her husband. She and her 3 year old survived. Cry to the Lord to enable us to have the privilege of reaching out to these people that he has put in our paths so they will experience our Jehovah Jireh. R, South Asia

KM says, "AMEN partnership enables them to extend Christ's compassion in tangible ways".

SATURDAY 13 Thank God for this year's annual staff retreat which starts today with reporting and evaluation of 2025. Praise Him for the safety of field staff and for leading us thus far as an organisation. Pray for insight and robust deliberations to come up with a quality action plan for 2026. Tassie, Nigeria

SUNDAY 14 Hundreds of grass root pastors will be gathering for a day of fasting and prayer. We are uniting to break evil strongholds such as anti-conversion laws and radical people that the Good News of the kingdom will reach villages in the north of our nation. The same gathering will be organised for the first time in a nearby country. Pray against any push back from local authorities. T & S, South Asia

MONDAY 15 The young couple who rented the apartment of Casa Vietii is moving out to start a family. Please pray that by October 1 we will find suitable people who will move in. Mia, Romania

AMEN & FRIENDS

TUESDAY 16 Acts 14:22 'strengthening the souls of the disciples, encouraging them to continue in the faith, and saying that "through many tribulations we must enter the kingdom of God"'. In the past 7 months, 146 people have been in jail due to their faith and the gospel. 36 people are still currently imprisoned. Spiritual and physical challenges hit hard. Also, due to the intense floods, 42,000 are displaced. Pray people will call upon the name of Jesus. T & S, South Asia

WEDNESDAY 17 My two younger sisters shoulder the responsibility of running the village school (Leimaroi Christian English school). We have 82 students from low-income backgrounds. Most of the students are from our village with a few from the Myanmar border villages. Pray for God's provision to enable us to care for their spiritual education as well as their physical needs. A, South Asia

THURSDAY 18 Pray that every young person who attended the youth camp will grow in Christ and bear lasting fruit. We still need ₹28 lakhs (c. £23,753) to cover the expenses of the camp. We also want to give a Bible to every household who attended the camp. God continues to give us a greater vision for the future. David & Jeba and teams, South Asia

FRIDAY 19 We expected 160 at the sewing graduation programme, catering included! However, 200 turned up, praise God! Thirteen of the ladies gave their testimony and 6 of them have come to know Christ. The Gospel was preached and 11 Bibles and 4 sewing machines were given out. Pray for our sewing graduation on October 4. God willing, friends from UK will be with us. R, South Asia

SATURDAY 20 We are applying for various permissions for the construction of a "New Life Centre": permission from the forest department to cut trees; for water and electricity and for building construction. Please pray for provision and wisdom for the engineer and builder as we are in the final stages of plans and budgeting for the "New Life Centre". F & A, South Asia

SUNDAY 21 "I press towards the goal to win the prize for which God has called me heavenward in Christ Jesus." Philipians 3:14 We are moving forward to reach out to more youths but not without physical and spiritual challenges. Ria is struggling with psoriatic arthritis with costly medication and some school leaders are creating intrigues about the ministry we do. Zaldy & Ria, Philippines

PRAYER UPDATE

September 2025

KM finds believers in Maneed financially poor, but they are rich in faith, love, and spiritual hunger.

MONDAY 22 There are organisations in our country that are trying to amend the anti-conversion law by increasing prison terms to between 14-20 years. Fines are also increasing from the equivalent of £426 to £8520. Our hope is that hearts would not be ruled by fear but that they would know that God cherishes them in the love of a Saviour. T & S, South Asia

TUESDAY 23 Praise God! Last month, there were around 50 who came together for the vision casting meeting we had conducted. This was about God's heart for humanity. S & B, South Asia

AMEN & FRIENDS

WEDNESDAY 24 We at SIKATT are humbled to be able to continue with our youth fellowship held at Torres Senior High School together with other youths from various schools and colleges,

Let's give praise for the following:

1. The opportunity to share the gospel to 120 high school students.
 2. The gathering of 52 senior high school & college students for SALI Youth Fellowship. We have a new SIKATT staff member - brother Ron, an education coordinator.
- Zaldy & Ria, Philippines

THURSDAY 25 "O You who hear prayer, to You all flesh will come." Psalm 65:2. More than 1200 vans and buses brought young people to the camp. Many surrendered their lives to Christ and committed themselves to His ministry. From the beginning to the end, the glory of God filled the place. There were songs of worship, inspiring testimonies and powerful skits plus food for all and a cloud to bring some very pleasant weather. People came up on stage to testify as to how God had worked in their lives in different ways. David & Jeba and teams, South Asia

FRIDAY 26 As we look back over the past season, our hearts are filled with gratitude. This summer, HUB was once again a refuge, a place of refreshment and hope. Although it seemed an impossible challenge to host and organise 8 'Camp Hopes' in one season, we made it! We had 95 families with children with disabilities or children who had undergone cancer treatment. They had the opportunity to rest, enjoy, be renewed, and hear the message of the gospel. Sladjan, Serbia

SATURDAY 27

Deaths:

1. At 96, my mum breathed her last breath into her eternal home. We are missing her deeply although we know she is in heaven. Please pray our family will keep the legacy of our parents by living a life worthy of the gospel for which our parents endured and suffered for at the hands of their parents and those in authority. The beginning of Christianity in the village was marked with harsh treatment but all the first converts were faithful. Awon, South Asia
2. My wife's father has gone to be with the Lord and as a family we are passing through a time of deep sorrow. We would truly value and appreciate your prayers for us during this season. KM and Titty, India.
3. My family has recently seen the passing of my mum due to cancer - please pray for our families in our sadness and also ask the Lord to save my father. Sladjan & Jaroslava, Serbia

PRAYER UPDATE

September 2025

At present, the believers in Maneed do not have a proper facility for their gatherings. A simple but safe and welcoming structure would significantly bless this fellowship.

SUNDAY 28 Pray for the planned pastors' conference in October that God will bless our time together. F & A, South Asia

MONDAY 29 We are planning on joining the OM ships Logos Hope and Doulos Hope before the end of the year. A number of people on the ship's side will be involved in organising and arranging this. May our hearts similarly be prepared for the opportunities that lie ahead onboard and onshore. Gareth & Malou, UK

TUESDAY 30 An AMEN team will be visiting several partners in South Asia. Pray for the right people from the UK to join; for partners to be encouraged and for each member to adjust and enjoy as they experience a different culture. Ask the Lord to anoint them so wherever they go, spiritual fruit may result.
