TESTIMONIES

HERE ARE 4 ENCOURAGING TESTIMONIES:

Goran – came to us with a very difficult marriage problem. During our conversation, we encouraged him to talk to God about it and to listen for what God wanted to say to him. At first, he didn't know how to do that, but after we shared with him about the Bible—God's living Word—he began reading the Gospel of John. The struggles in his marriage are still there, but we are praying that God will speak to his heart and draw him to Himself, so that he may become a new creation and learn to face his problems through the power of the Holy Spirit rather than his own strength. Please join us in praying for Goran.

Evica – was very afraid for her children and family because she believed someone involved in black magic was targeting them. As we spoke, we shared the Gospel with her, gave her the link to the audio New Testament, and told her testimonies of people whom God had set free. Before we finished, she said, "Thank you for pointing us in the right direction!" Please pray that Evica and her family will continue on this right path and fully surrender their lives to Jesus as Lord and Savior.

TESTIMONIES

***Liliana** – felt very lonely, abandoned, and used by some of the people she loved. We listened and sought to encourage her with the Word of God, pointing her to the Lord who has good plans for her life. We shared with her the link to the audio New Testament we had recorded, and she began listening. Not long afterward, she wrote back saying:*

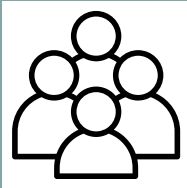

“This has never happened to me before. I was feeling so dejected and burdened, but I started listening to the audio Bible very carefully. All of a sudden, I felt as if God was right there with me, watching over me. I opened my eyes wide and felt strength returning to me. It may sound strange, but that’s exactly what happened. I am so grateful to God and to you!”

Please pray that Liliana will continue listening to God’s Word and allow Him to transform her from the inside out.

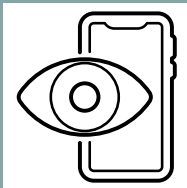

***Gmitra** – When we first spoke with Gmitra, she said she didn’t believe in God and thought we were simply products of evolution. But as our conversation continued, we encouraged her to at least read the New Testament and learn more about God before making a final decision about whether He exists and whether she wanted to believe in Him. She eventually agreed and asked us to send her a copy. Please pray that God will soften her heart and draw her to know Him as her Lord and Savior.*
