**MONDAY 1** The recent typhoon did not spare the area where we are planting a church. Beside this community, the river overflowed up to 12 feet at the bank. Human beings and every house was gone. People had no food to eat. Two months earlier, I was in the community. I met some of the poor people, saw their homes, and chatted with them. I felt in my heart that the LORD wanted me to do something. The most logical thing to do was to raise funds for food items. I was able to raise more than half a million Philippine pesos. Praise God for everyone who responded generously through their donations. Winston & Jannette, Philippines

**TUESDAY 2** Our schedule this month: WINs Christmas get together; parents and students fellowship, women's conference, village Christmas programme and DAS programme. A. South Asia

**WEDNESDAY 3** "The one who calls you is faithful, and he will do it." 1 Thessalonians 5:20. As we celebrate the 25th anniversary of SIKATT, ask the Lord for a meaningful and special event for those whose lives we want to see transformed by the ministry. We also need good health and strength. Zaldy & Ria, Philippines

**THURSDAY 4** Give thanks to God for the privilege he has given us of seeing and being involved in Kingdom work onshore as well as onboard MV Logos Hope. We are travelling to the Philippines to celebrate the 90th birthday of Malou's mum on the island of Batanes as well as visiting 3 AMEN partners; SIKATT – celebrating 25th anniversary; Grace Ministries; CWTP and various churches. Gareth is going to have some dental treatment in Manila. Pray for guidance and leading for 2026. We plan to spend 6 months onboard Logos Hope in the UK and Europe. Gareth & Malou, UK

**FRIDAY 5** Joseph will be visiting the UK. At least one of his meetings will be videoed and available off-line. We hope that this programme will enable him to meet as many as possible of his present network of friends and offer opportunities to establish new contacts for El Shadai. Stephen & has Ann, South Asia

## PRAYER UPDATE

### DECEMBER 2025

**MONDAY 8** "What shall I repay for all the benefits that He has done?" I will take up the cup of salvation and give thanks to the Lord. We are in a time when our country is being torn apart by religious, political, and communal divisions like never before. But the great God who leads us says, "I will build my church, and the gates of hell shall not prevail against it," He is faithful.

1. We praise God with a grateful heart for the protection, happiness, and care He has given us.
  2. I was a little weak in health but I thank God for the miraculous healing that He has given me after hearing the prayers of many.
  3. We thank God with grateful hearts that our son Ricky is with the ship Logos Hope. He is praying in faith for funds for as long as the Lord wants him onboard.
  4. We are very happy to be able to start new activities in 7 new villages in 2 states.
  5. We thank God that we prayed for the illness of a village chief and he was healed. This gave us the opportunity to preach the gospel in his village.
- R & P, South Asia

**TUESDAY 9** A recent car attack happened 30 minutes before my son and I arrived. Eight died and 20 others were injured in this incident. Pray for peace in this city. Violence without any reason has brought tragedy for the families of those victims. T & S, South Asia

**WEDNESDAY 10** Over 3000 attended the November annual Christian Eggon hills convention that we at Mission Field House had organised. People hike up the steep hills, dodging boulders of stones to get to the top. Children, men and women carry their heavy supplies on their heads and on their backs including their mats as they sleep under the stars. To feed these people is an annual step of faith and God has faithfully fed us. Glory to God. N & G, Nigeria

We had fellowship with believers from 3 denominations including their leaders. Remember our brothers and sisters in Ukraine in your prayers. Dave & Rodica, Romania

"Sewing classes are very popular among women in India as it gives them a source of livelihood. It is also an amazing way to bring hope to those who are struggling", says Ponna.

**SATURDAY 13** We thank God for His continued work among the M tribals. People are growing in the knowledge of God, and we can truly see hearts being transformed by His Word. There is a deep hunger for truth and spiritual growth among them. I travel to visit and baptise new believers who have joyfully accepted Christ. It is a special and sacred moment for them as they publicly declare their faith. I am planning on two new schools that will help educate more of their children. Please continue to ask for God's provision, wisdom, protection. N & S, South Asia

**SUNDAY 14** By God's amazing grace, we have extended our work to another state. We had 80 young people participate in a youth meeting and 70 attended an evangelists' event. We had been praying for some land and have identified it. We need to see funds come to construct a mission action centre. David & Jeba, South Asia

**MONDAY 15** Heavy monsoons have started in Kerala. 33 people died and some are still missing; the impoverished are greatly affected. **WEDNESDAY 17** Two of our brothers in the Lord were attacked by a mob of nearly 250 people. They were taken to the police station and later released. They have come to our place to spend time in fellowship with believers and pray. A brother in Christ travelled for 31 hours to join us in our meetings. His church was attacked and closed down. He was so thrilled to be part of other people facing the same issues and challenges. Praise God for the connections made. T & S, South Asia

**THURSDAY 18** Pray for more volunteers in the centre. We are very grateful for Sandra, who often helps on Mondays, and Alina, who comes every other Tuesday. Their extra help makes a noticeably positive difference on those days. We therefore eagerly look forward to more (regular) support. Tijs & Jessica, Romania

**FRIDAY 19** Special update on WINs (Women In the Nations): We are indeed very excited to share with you that our first Fundraising Fellowship Dinner last month was a success. We have enough funds now for our Mission Trip. Six of us are preparing for this mission. Good health and anointing, effective ministry both in the Word and in addressing social issues are what we desire. We are looking forward to meeting some key women leaders for mutual encouragement and to learn how to uncover hidden problems of women and girls in order to empower them. Our hearts are open to what God will be teaching us. A. South Asia

**SATURDAY 20** Pray for the upcoming Christmas season, that everything may go well. It promises to be very busy again with various extra activities/programs/services. May many hearts be touched by His love. More and more people from our church and beyond come to us for advice regarding spiritual matters. We need deep faith, discernment from God, and the use of the authority given us in Jesus. For our family, ask the Lord to bless us with unity, health, safety and protection. We realise how precious it is to have one another; what a privilege, what a blessing! Tijs & Jessica, Romania

Children from different religious backgrounds are eager to learn Bible stories, verses and songs. Roy & Ponna

**SUNDAY 21** Pray with us. We want to give gifts to followers of Jesus this Christmas. Gifts for the children, for the poor and the widows. Please remember a young sister in Christ, Sarika, who has been widowed. She has a son called Abhijit. S & B, South Asia

**MONDAY 22** Daniel 4:17 "to the end that the living may know that the Most High rules the kingdom of men and gives it to whom he will and sets over it the lowliest of men." N was taken to court back in 2021. Such is illegal under the Freedom of Religion Act which prohibits religious conversion through force, fraud, allurements, or coercion, and requires individuals to provide prior notice of their intent to convert. However, by God's grace, the court case ended almost 5 years later with positive results. Thanks to your prayers, we are seeing things slowly change in our nation. This was a huge win for those who have court cases against them. The case will become an example for the future. All the cases of this particular state will end soon because of this. The hearing is going to take place soon in the supreme court. Our advocate will be in the court on that day so that this law will be abolished from 8 other states. Give glory to God. T & S, South Asia

**TUESDAY 23** The spiritual growth of SIKATT scholars and their families is our heart's desire. We need more volunteers and additional sponsors and supporters for SIKATT ministry. Zaldy & Ria, Philippines

**WEDNESDAY 31**

Recently, I was invited to preach salvation in a family gathering and Mr. Babar and his daughter Angel attentively listened to the Word of God. With sincere hearts, they both confessed their sins, accepted the Lord Jesus Christ as their personal Saviour, and decided to follow Him faithfully. Then they were baptised declaring their new life in Christ. Pray that they grow strong in faith, remain steadfast in God's Word, and become shining witnesses of His love and grace in their family and community. N & S, South Asia
