ORTHODOX CHRISTMAS

TESTIMONIES

HERE ARE SOME ENCOURAGING TESTIMONIES:

Sonya wrote to us in December seeking help for her six-year-old son, who still does not speak. Doctors do not know the reason, and she is deeply saddened. We pointed her to God and encouraged her to read His Word, to get to know the God who is our Healer, and to seek help from Him. She told us she would begin reading the Gospel of Mark and praying to God. In January, she shared with us that Vladimir had started saying some words. Please pray with us for both Sonya and Vladimir, that God would reveal Himself to them powerfully and draw them to Himself.

Perica would like to learn more about biblical water baptism. He is reading the Bible and has become aware that baptism in the Orthodox Church is not the same as what we read about in the Scripture, and he desires to be baptized in a biblical way. We asked him whether he would like to speak with someone face to face about this, and he joyfully accepted. Please pray that this meeting will take place soon, that God will continue working in his heart, and that Perica will come to know the Lord Jesus as his Savior and Lord.

We saved Anita's testimony for last, as the cherry on top. She was curious to learn how we can become children of God. After we explained the Gospel to her and asked whether she would like to repent of her sins and accept Jesus as her Savior and Lord, she said yes. We also explained that she should begin reading God's Word in order to grow in her faith. Our next conversation will be about finding the right church, but we did not want to push this yet, since she currently attends an Orthodox church. Please pray for Anita, that God would continue working in her heart, help her grow, and lead her to a church where she will be surrounded by born-again believers.
